Bill
 To a real stud guy.
 You've got a real good
 personality. Better watch
 those cycles. Might
 break a leg (H.S.).
 Can't wait till choir
 tour. Should be a blast.

Bill.
 I don't know
 you well but
 what I do know
 is that you're
 a very different
 person
 with a great
 personality
 Good luck
 Always
 Love,

Weatherford High School

Weatherford, Texas

A large, dark, multi-story building, likely Weatherford High School, is visible in the background. The building has a flat roof and several windows. In the foreground, there is a grassy area and a paved road.

When we entered school this year, we became aware of the changes in our surroundings. Suddenly, we found ourselves in the midst of a new world - a changing world. As we grew up, our world grew also. There were new buildings to be explored, new friendships to be formed, and new teachers to be met.

We also found the familiar, the things that make WHS so important to its students. Congested halls, pep rallies, morning announcements - only a few of the things that form lasting memories.

Today these memories are fresh, but as the years go by, they will fade into the shadows. To capture these memories is the goal of the Melon Vine. To suspend time so the year 1970-71 will live forever is our ambition.

Love ya,
 Denise

As we entered school this year,

We noticed

A change.

There was a change in the people.

Same faces,

But each of them unique

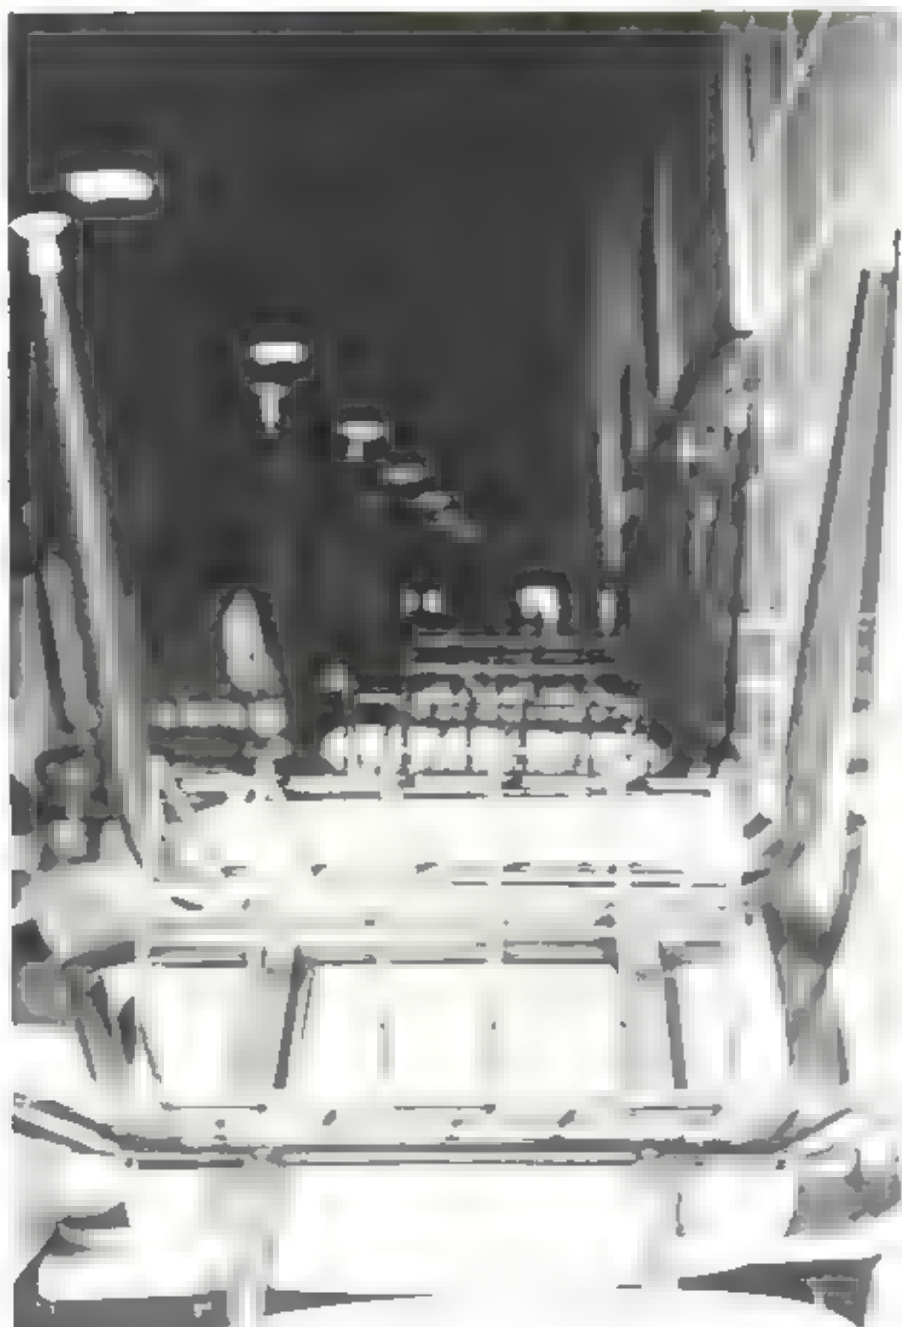

Individuals.

Same new faces,

Perhaps a challenge to conquer.

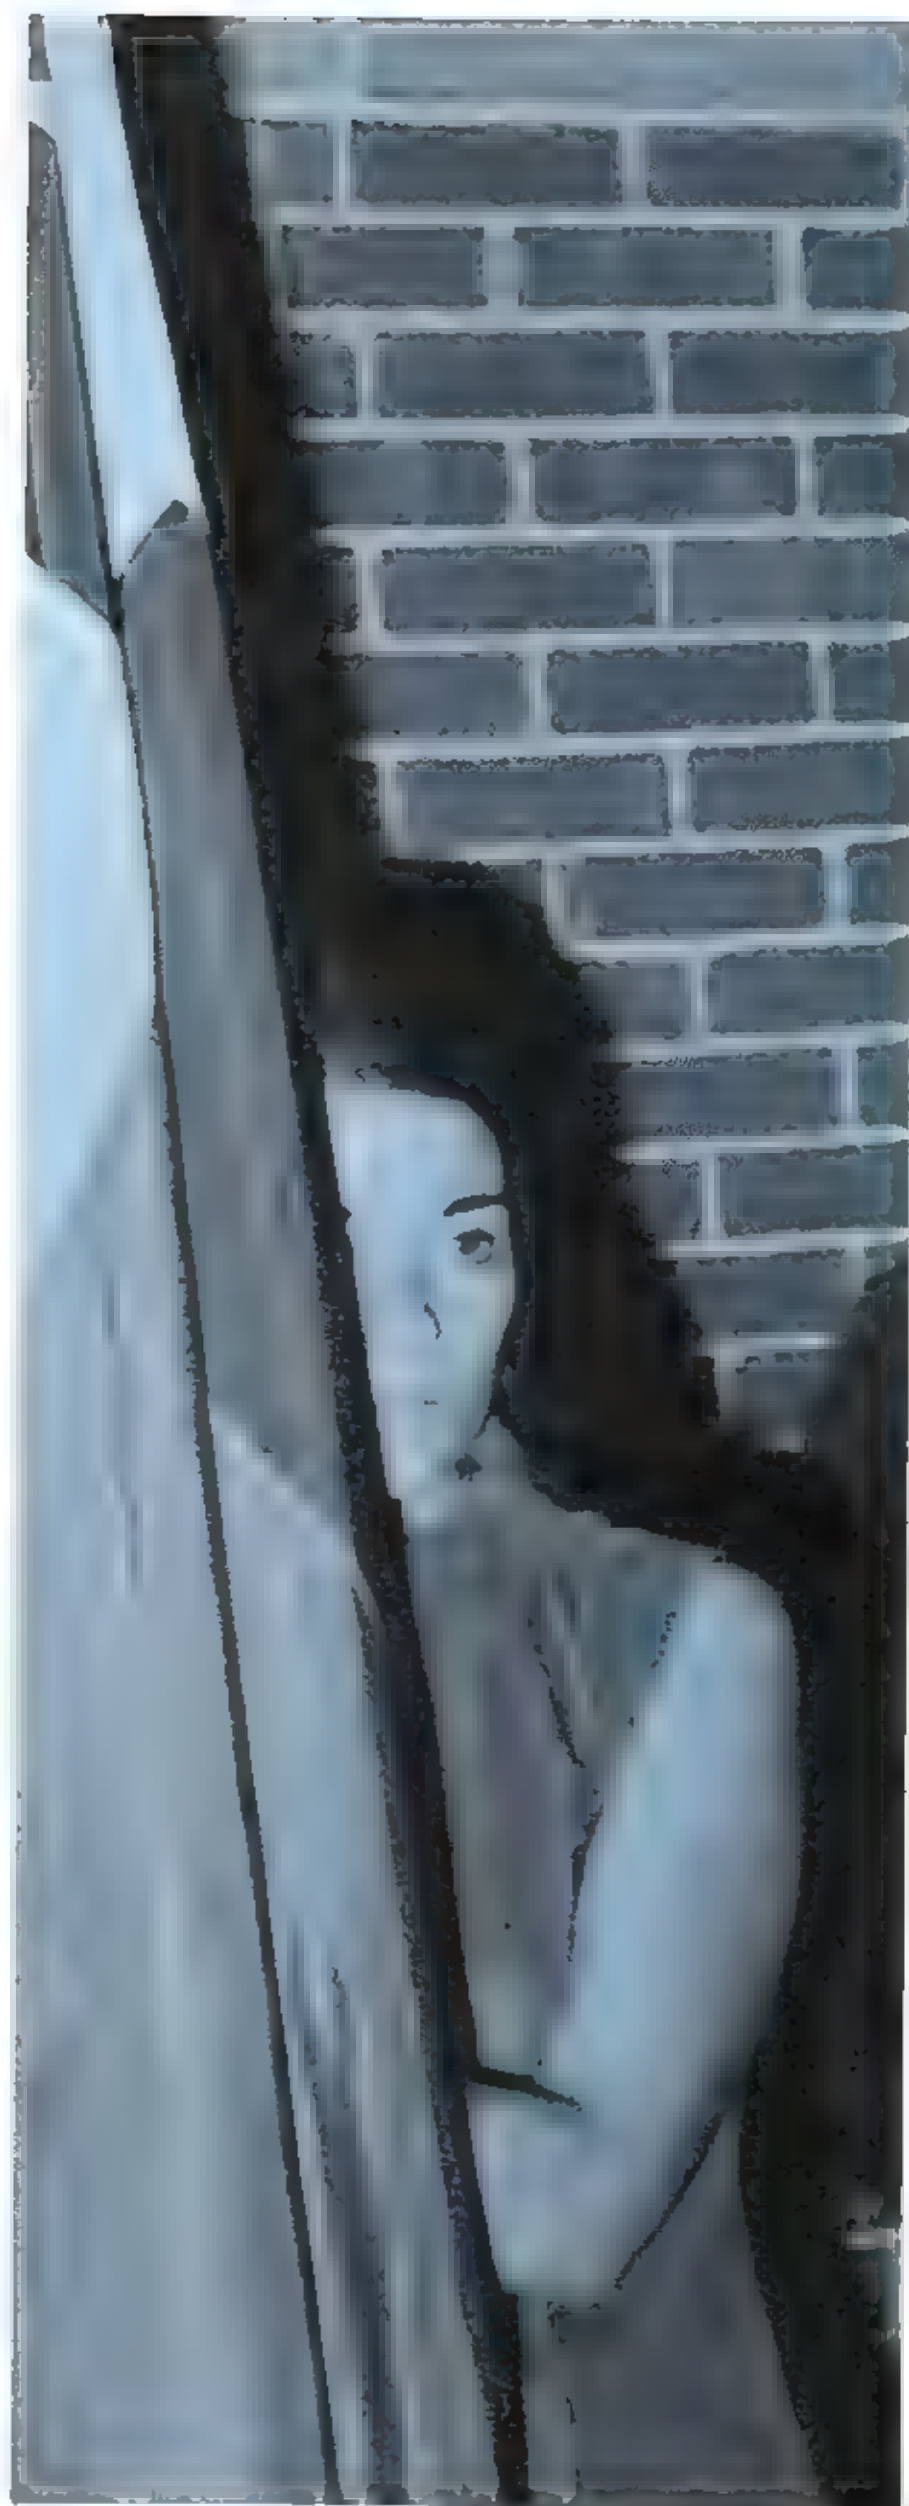

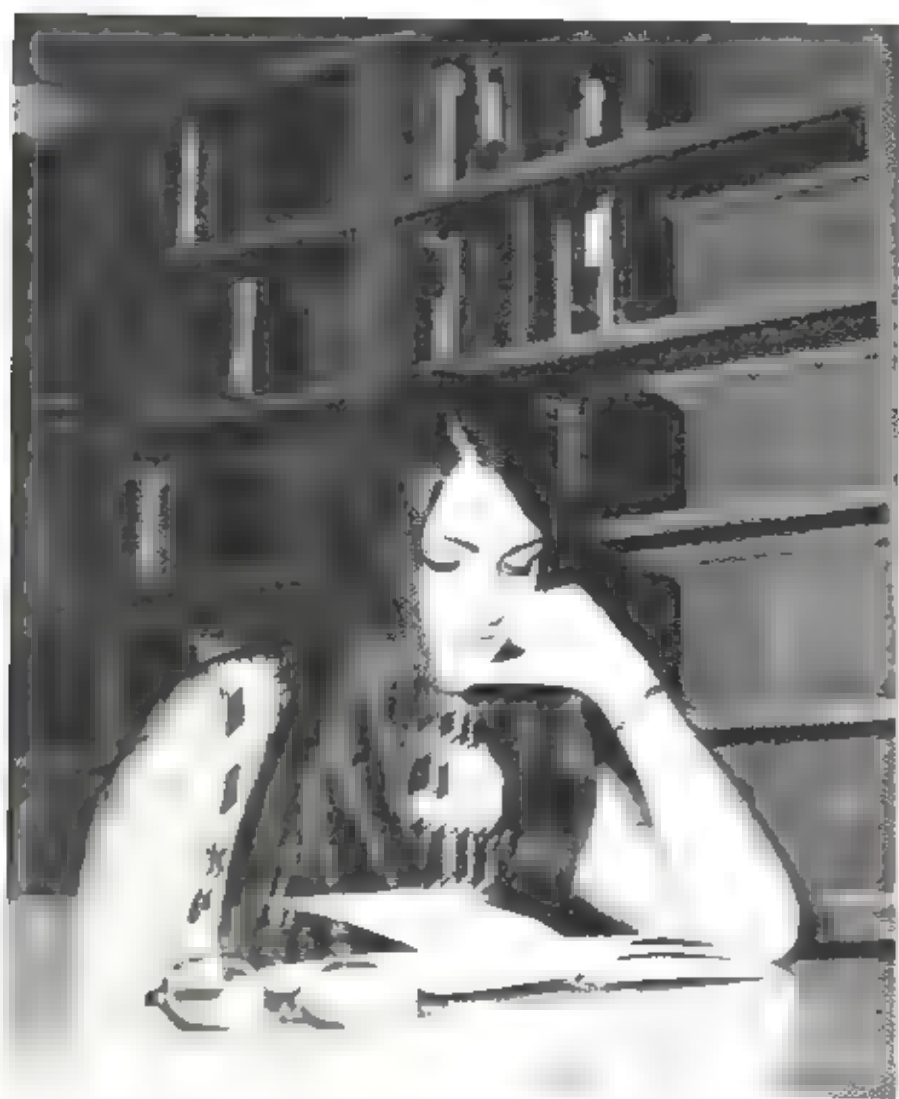

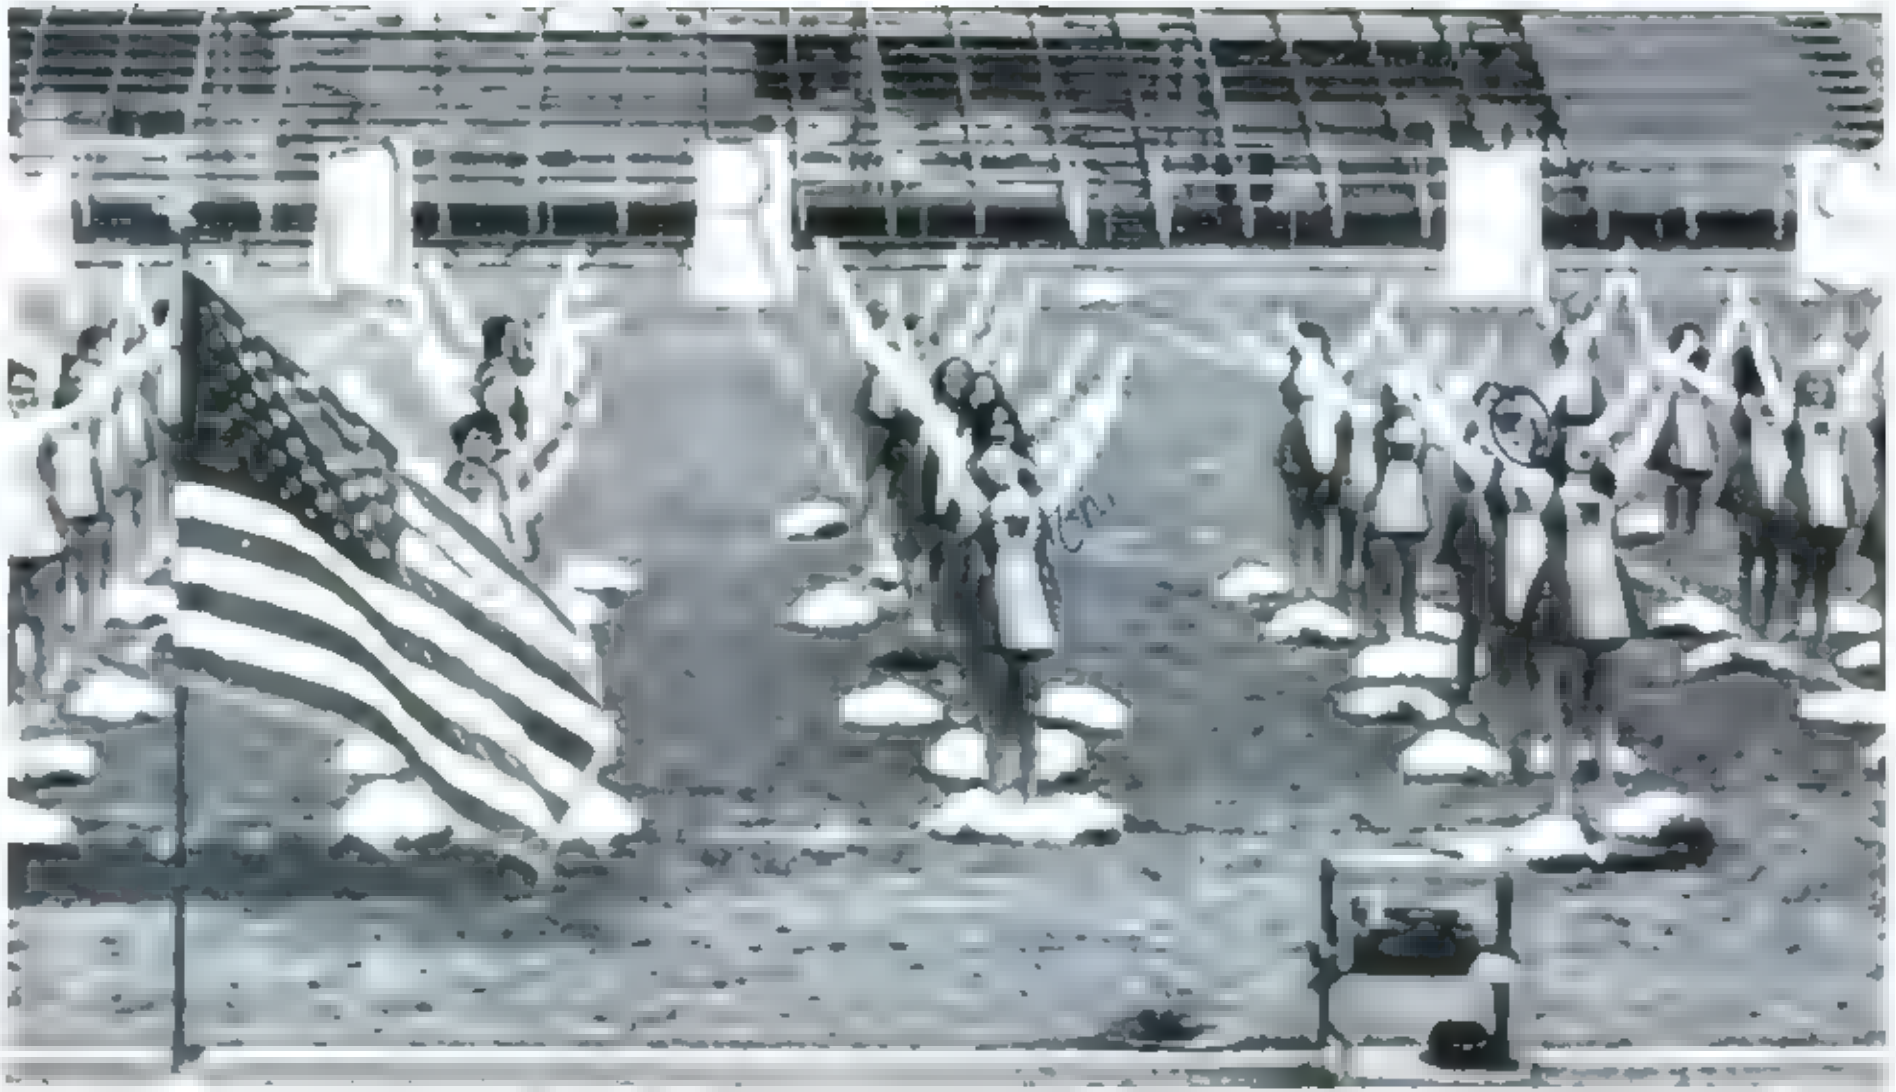

When we walked about,
We noticed another change —
The school.

As we have increased
So, too, has our school,
Growing to meet the needs
Of the ever-increasing
Number of students.

*We must grow to meet the needs
Of our changing society.
Time works many changes.
Time . . . it runs so fast,
And will not stop for anyone.*

Swiftly time consumes our youth.

From youth, we change to man,

From man, to a citizen

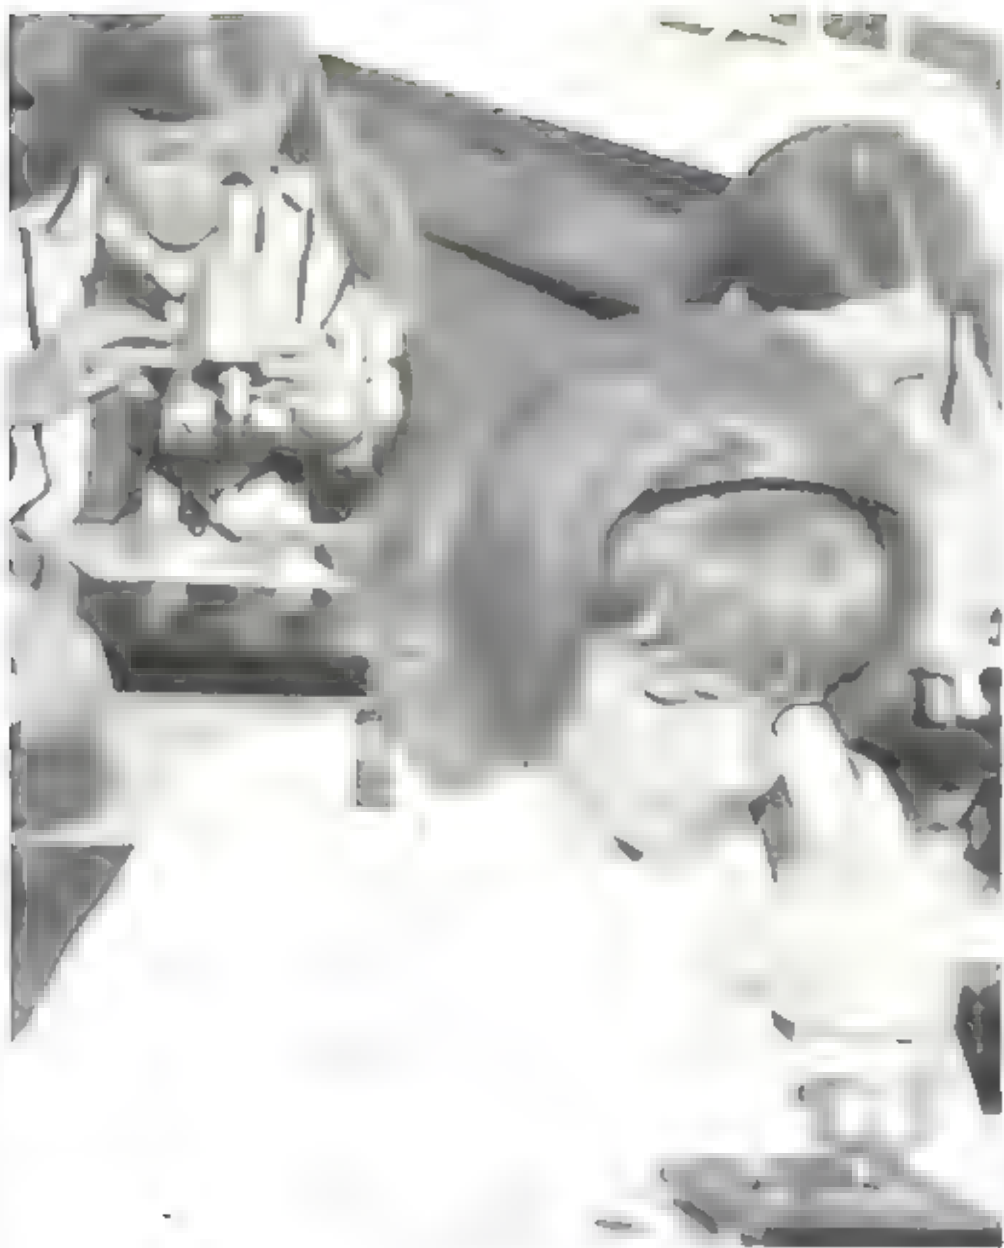

Of an ever-changing nation.

We look back
And we discover certain changes
That have come about: in our friends,
In everything around us.
So rolls the changing year.

And so we change.

Motion so fast

We know not that we move.

We are growing up.

The world is growing with us.

Ever-changing,

Never remaining the same.

Activities.

A bonfire.

A football game.

Days too quickly gone

Leave us with bitter-sweet memories, recollections

During school,

Afterwards,

Anytime we found to be together.

Pep rallies,

Programs

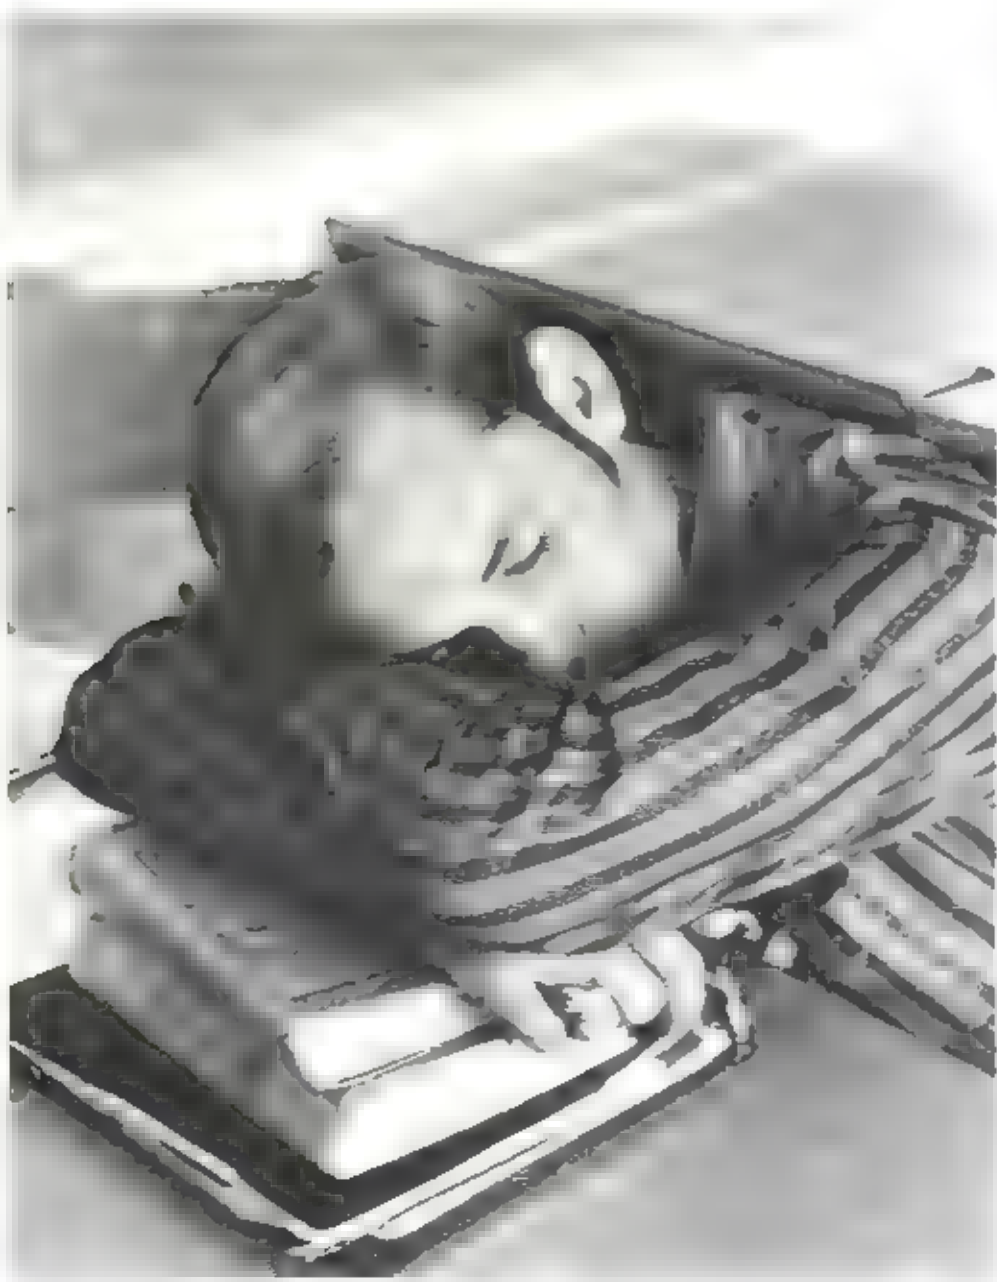

All playing important roles

In our school life.

Fall Semester Brings Changes For Students

Students of WHS returned to a variety of surprises in the fall of 1970. Besides the new addition to building facilities, freshmen greeted upperclassmen for the first time in many years. Adapting to the new situation was difficult for some, but everything came under control in a matter of weeks.

TOP: Football practice in September requires real dedication. FAR LEFT: Bobby Mangrum finds class so exciting he can't stay awake. NEAR LEFT: Wallace Dimery, Melvin Rucker, and Bill Black aim to find out what's going on in the courtyard. TOP RIGHT: Pam Reeder, Jole Warren, Beth Martino, and Steve Reeder appease their hunger in the new cafeteria. ABOVE: Taking a short cut across the grass saves time for Troy Dixon, Eddie Bush, and Homer Young.

Students Employ Various Means to Break Classroom Monotony

Everyone knows that some serious classes are necessary. Despite this fact, occasional deviation from routine makes for a more interesting and well-rounded education.

FAR LEFT: Washing second floor windows is an exciting change for Duke Helbing and John Doss. LEFT: Randy Miller expresses his individuality in strange ways. BOTTOM LEFT: Powder Puff Football kept girls out of mischief. TOP: Taking a fresh-air break - Melon Vine Staffers, Carla Carpenter, Mrs. Skidmore, and Vicki Harrell. NEAR LEFT: Gay Dean apparently has a definite opinion on the subject. ABOVE: Since when has volleyball been added to DE curriculum? Jean Little, Karen Trammel, and Gwen Wilson seem to be enjoying themselves.

Spirit Soars at WHS

Throughout the year, students at WHS exhibit their exceptional school spirit towards sports, but football seems to occupy a special place in the hearts of most. Pep rallies give students an opportunity to express this enthusiasm and encourage their team.

TOP LEFT: Mascot, Jan Curtis, and "Rough-and-Ready-Roo" bolster spirit. FAR LEFT: Vicky Snow experiences an emotional moment - being chosen Football Sweetheart. CENTER LEFT: Football boys contemplate the outcome of the next game. BOTTOM LEFT: Seniors enthusiastically take part in their last pep rally. TOP: Tri-Captain Lynn Reynolds enters Pep Rally through baton archway. TOP RIGHT: Students wait impatiently for players' entry. LEFT: Sweetheart Barbara Phillips is escorted by Band President Chris Hudson.

Keeping Busy at WHS Is No Problem

Various activities, in and out of classes, occupy students' time. From tests to assemblies - academics to enjoyment. All are important in character and intellectual development. All play an integral part in everyday school life.

TOP LEFT: Junior Achievement Tests present a challenge for Brooks Worthington. BOTTOM LEFT: Lynn Reynolds assists Renee Nelson in what proves to be a "hair-raising" experience. TOP: Escape from homeroom was made possible by an enjoyable program on fencing. TOP RIGHT: Susan Robinson and Glenna Little question the necessity of English tests. LEFT: Carrie Rogers, Renee Bowers, and Randy Miller examine Rhodesian artifacts at an FTA meeting.

Happenings Explode at WHS

Life at WHS is full of excitement and variety. Besides everyday activities, we enjoy a wealth of extracurricular recreation. There were new experiences like the Drug Lab, as well as the familiar - the bonfire, Football Banquet, and basketball games. Change, however, is inevitable. There will always be new horizons to be explored; new challenges to be met. But the past remains dear to us.

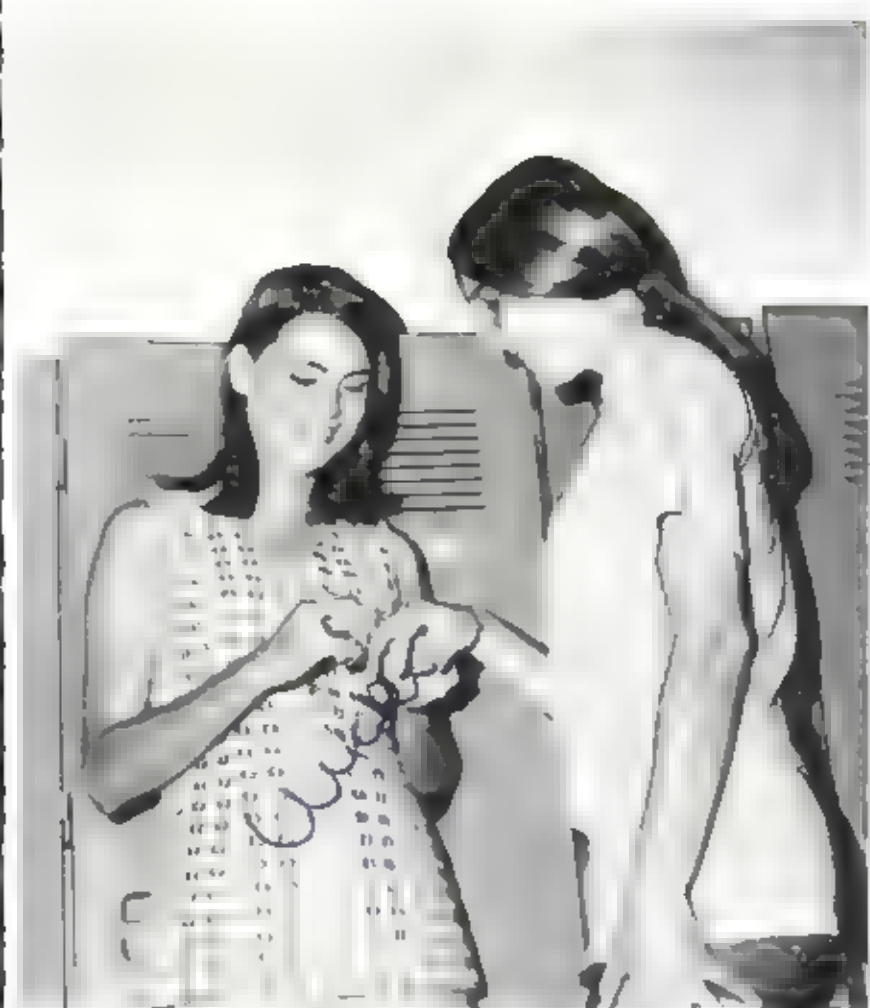

TOP LEFT: Cheerleaders boost spirit at basketball games. BOTTOM LEFT: Something on Billy Stone's plate sparks interest in Nan Brogdon and Vicki Robinson. CENTER LEFT: Many students participated in the Drug Lab. TOP: Mike Adair, Mark Phelps, Kathy Curtis, Debbie Weddle, and Mary Toomer enjoy the Spanish Club Christmas Party. ABOVE: Terian Hoefler and Barbar Phillips learn lines for "The Crucible." LEFT: Burning brightly, the Homecoming bonfire ignites spirit in on-lookers.

Seniors Take Final Glimpses

Many exciting experiences mark the Senior year of high school, making it different from any previous or forthcoming year. Ordering graduation invitations, measuring for cap and gown, turning rings - final glimpses - memories to be cherished through the years.

TOP LEFT: Mike Singleton and LaNelle Patton take part in NHS Induction Ceremonies. FAR LEFT: Marcelle Woodard measures Mark Worthington for cap and gown. CENTER: Ordering graduation invitations is a big event for Glenna Little. TOP CENTER: Vicki Snow and Melinda McClung follow tradition - turning Senior rings. TOP: Valentine Couple, Vickie Ballow and Lynn Baumhardt, exchange glances. ABOVE: Martha and Vivian Johnson seem reluctant to have their picture taken while preparing for Open House.

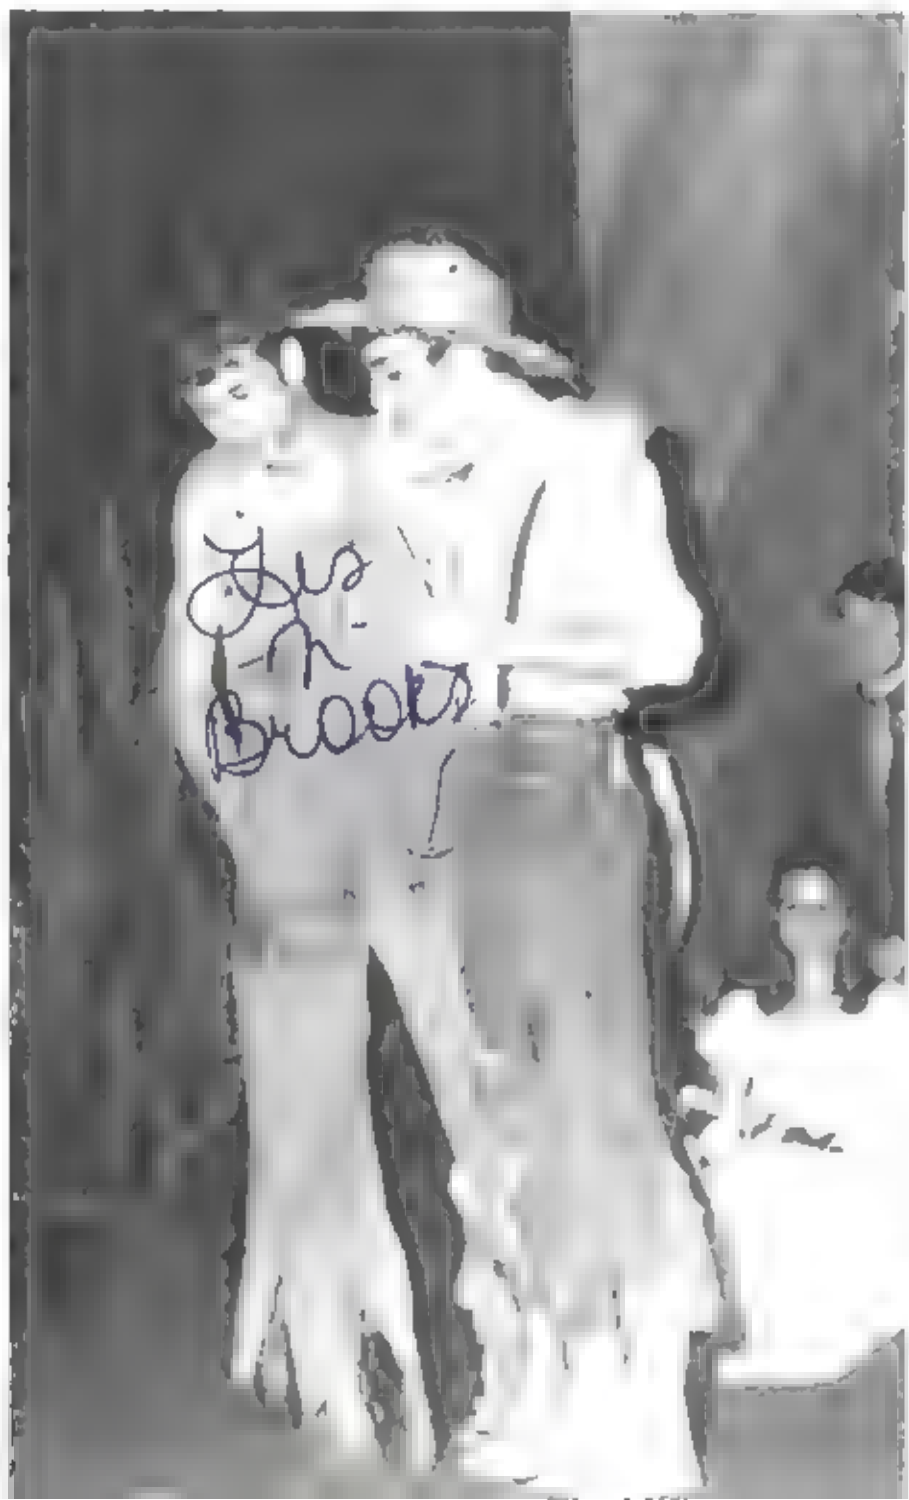

Old South Lives Again

This year's production of the Melon Vine Queen Coronation followed the theme, "A Walk in a Southern Garden." Long hours of planning and decorating contributed to the success of the annual event. Members of the Staff enlisted the help of willing students, who did more than their part. Talented students of WHS entertained the Queen, Trena Fontenot, and her Court.

TOP LEFT: Sandra Long entertained the Court with several selections. BOTTOM LEFT: Melon Vine Queen Trena Fontenot and her Court devoted their full attention to the entertainment. LEFT: Tom Davis and Joyce Reynolds played important parts as Master and Mistress of Ceremonies. CENTER: Brooks Worthington and Dale Hart presented a comedy skit, "A Day in the Life of Tom Sawyer." BELOW: Members of the First Six, Glenna Little, Vickie Harrell, Melinda McClung, Patti Beadle, Linda Moughon, and Linda Noland, performed for the Queen's Court.

WHS Student Council Communicates for Student Body

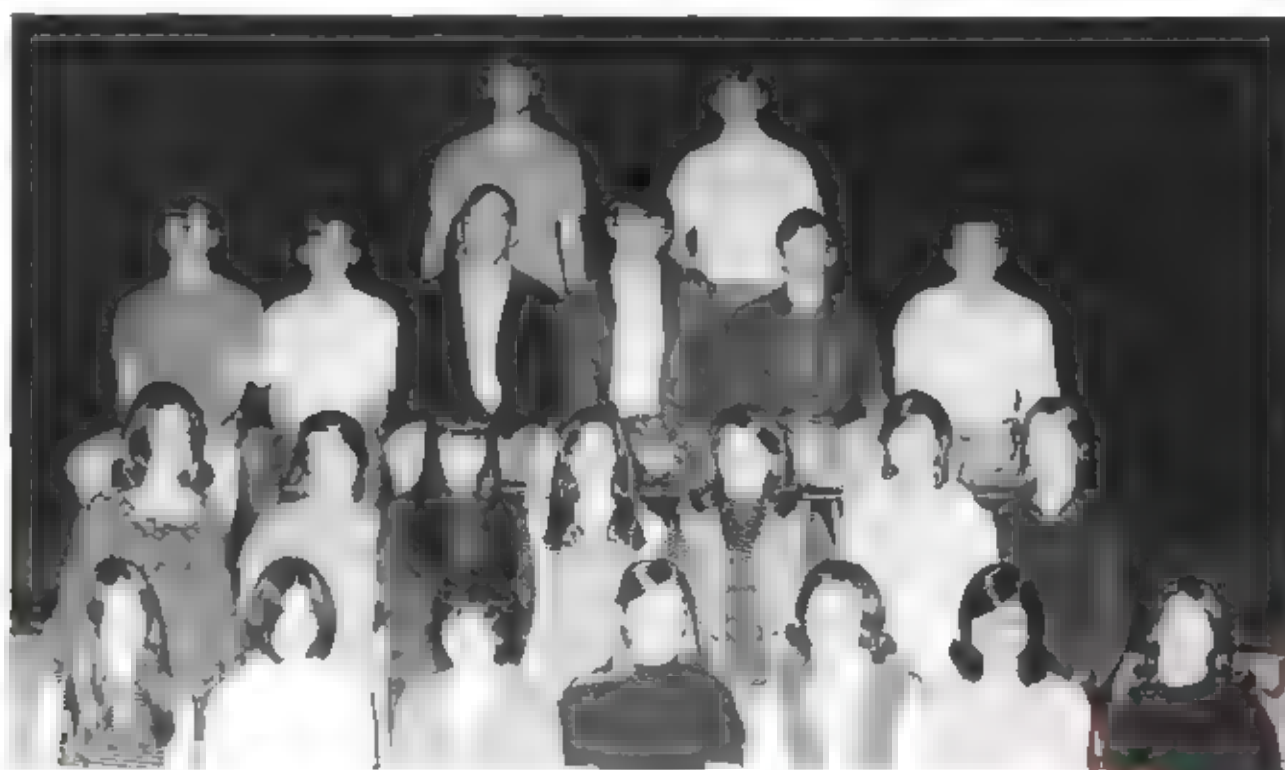

As a result of apt direction by Mr. Arthur Stockstill, Mrs. Polly Patton and Sharon Lockwood, president, the Student Council provided a welcome break from regular activities. This year the Council presented the Southern School Assemblies, all Homecoming events, the Christmas Door contest, Tennis Shoe Day, and the Spirit Hall contest. A \$200 college scholarship was offered to a WHS senior student for writing a 250-300 word theme on "Why I Need a College Scholarship," after the acceptance by two Council members, Mr. Stockstill and Mrs. Patton. All the students were greatly indebted to the WHS Student Council and their efforts to represent them in the eyes of the WHS administration.

Balance Is Prime Requirement for NHS

Scholarship alone is not the prime consideration for membership in the National Honor Society. The aim of the organization is to induce others to seek good scholarly habits as well as to advance the welfare of the school. Membership in the NHS organization, the highest honor the school can confer, is gained only through qualification in scholarship, leadership, character, and service. At the end of the sophomore year consideration for membership is as to whether the student has maintained a scholastic average of 88 or above and has given evidence of good character, leadership, and service to his school. The annual induction ceremony for the NHS was held in January under the direction of the sponsor, Mrs. Helen Christian. Three seniors and 29 juniors became members.

BOTTOM RIGHT: Mrs. Lon Alexander interviewed a contestant of the Mr. FTA contest at WHS.

Providing interested students with experience designed to develop the qualities and abilities basic to successful teaching was one of the objectives of Mr. G. A. Reynolds. Mr. Reynolds, by devoting time and efforts to students, became a primary catalyst in training young high school students in the teaching profession. The Future Teachers of America is a program jointly sponsored by the SEA and the PTA for providing Texas high school students with worthwhile professional experience related to teaching as a career. This year the WHS chapter led several elementary school groups in a drug training program; the following week they returned to lead WHS students in the drug lab. The state convention was held in Houston on February 26 and 27.

Teacher Aids Gain Through Giving

Actual classroom experience and observation were gained by the 20 Teacher Aide students in WHS through assignment at various Weatherford schools. Students gave assistance to the teachers and aided slow or weak students.

For showing their interest in education as a possible career, each of these 20 WHS students acquired one credit point toward their diploma. This course is one of the newer programs added to our curriculum in an effort to promote up-to-date knowledge and is graded on a pass fail basis. Mr. G. A. Reynolds, sponsor of the FTA club, also led the Teacher Aides and all Teacher Aide students were members of the FTA organization.

Science and Math Aid Scientific Study

Encouraging interested students to expand their knowledge of science and mathematics, and to spark their enthusiasm in these vital subjects was the challenge of the 1970-1971 Science and Math club, sponsored by Mrs. Melba Puryear, Mr. Woody Shaw, and Mr. Billy S. Goodson. Two parties were scheduled for the second semester for members of the club. One strictly social activity and the other with a science or math oriented theme. Some of the events of the club included such diverse activities as preparing bulletin boards to attract the attention of all WHS students, showing relevant films on topics related to science and mathematics and field trips to broaden the experience of the student. A visit to the Science Fair in Fort Worth on March 19-21 to encourage individual students to prepare an exhibit for the 1971-1972 school year, was included in the curriculum as was fund raising to pay for necessary expenses.

FBLA Advances Business Students

Through the efforts of Mrs. Ruth Ann Richardson, Mrs. Bobbie Robinson, and Mrs. Ima McCrary, the 1970-1971 Future Business Leaders of America were subjected to the business world as an important aspect of their life. As seen through the eyes of the three sponsors, the FBLA organization is concerned not only with the business world, but also with the development of each student's personality and his or her association with classmates and leaders in the business world alike. Money making projects of the year include the salad luncheon, and the proceeds from the concession at the WHS basketball games. Members participated in the annual District Convention held in Richland Hills. Students entered contest in vocabulary, spelling, public speaking.

Larger than ever this year, the 37 members of Sans Souci held on October 16 its annual initiation. New members wore banners depicting "Mr." and "Miss" France," sang the French National Anthem, "La Marsailles" in the halls of WHS, and chanted the "Victory" in French at the Homecoming Pep Rally.

Sponsored by Mrs. Nicole Gault, the 1970-1971 members went to a French Restaurant in Mineral Wells for a club activity during the second semester.

Urging the Spanish Club forward to new heights was a tough task for first year Spanish teacher, Miss Sheila Lantz. Looking at the achievements of the members of the club her success was apparent. The club held its annual Christmas Party with a pinata erected in the gym and members proceeded to demolish it for its sweet contents. The club also had its trip to a Spanish restaurant in Fort Worth and then proceeded to Will Rogers Coliseum for an evening on the ice. Miss Lantz presented the club with several programs throughout the year all of which were aimed toward a better interest and understanding of Spain and its cultures.

Office Education Provides Job Opportunities

Preparing for lifetime careers in office occupations is one of the primary goals of the OEA club, headed by Mrs. Elaine Cox. The businesses co-operating with the VOE program in Weatherford established the Local Advisory Committee as a link between the schools and community through which all arrangements were finalized. The OEA program itself was designed to develop leadership and competency in the business world. As a result of these efforts the students developed their ability to plan together, organize and carry out

worthy activities. The OEA this year sponsored a college scholarship program along with entries in the District and State OEA conventions. The club honored National OEA Week on February 1 through 5 and also sponsored a Banquet for Co-operating Employers in April.

The DECA project for the year involved placing neatly painted litter barrels in strategic locations on the WHS campus. This project and many others were financed with the proceeds from the concession stands operated by DECA during the Varsity football season. DECA I and II clubs participated in the Area conference, February 6, in Mesquite and the State conference in Fort Worth on March 11-13. DECA contestants entered all major events.

Developing leadership in high school students is the primary purpose of the Distributive Education Clubs of America, DECA I, guided by Mr. Jack Finley, sponsors competitive events at Area and State level in Window Display, Advertising, and other activities. The chapter has been fortunate enough to have had winners in one or two of these each year for the last several years. The student of DECA works on assignments which correlates with the work in which he is actually engaged in. A DE student gets two credits as he spends an hour in class and three to four on the job every day. DE is a two-year program.

This phase of the DE program was just put into operation this year and is headed by Mr. Jerry Mobley. DECA II consists of one class of DE students and two classes of the pre-employment lab section. This pre-lab prepares the sophomores planning to enroll in the DE program for the 1971-1972 year by teaching them correct attitudes towards employers, fellow employees, and customers. They also take interest in business behavior and other related business subjects. Separately, the DECA II club held several parties, two to Fort Worth and their Christmas Party at The Menagerie in Weatherford.

Students possessing a junior or a senior classification plus an interest in the industrial field are the requirements for participation in the VICA program. The Industrial Cooperative Training classes provide students with a practical and use-

ful training in various fields of industrial occupations. Practical work experiences were provided for the student through the part time jobs at various local cooperating businesses or industries. WHS has provided, through M. R. L. McMahon, the technical instruction needed to make the students' work successful. This first year program, an extension of the school's cooperative training classes, provided opportunities to many students for fulltime jobs upon graduation from WHS. Besides providing the students with opportunities for advance in employment, the VICA program also worked to develop personalities and attitudes of all their participants. Developing leadership and obtaining a purposeful life were the most meaningful goals reached under the leadership of Mr. McMahon and through the VICA program.

Future Homemakers of America Learn Skills of Home Living

Striving to provide interested students with informative and useful everyday material is the goal of the Future Homemakers of America, pioneered by Mrs. Bennie Barnett, Mrs. Wanda Brian, and Mrs. Mary McCain. Aspects of home economics, homemaking and charity were centered upon by the three sponsors and the 52 members comprising the 1970-1971 FHA club. The members worked toward the honor of attending the State meeting in Dallas after the District meet in Fort Worth.

On November 21, 12 members entered the "Make It Yourself With Wool" contest on the TWU campus in Denton. The 12 girls modeled their own creations, made of 100% wool. Some of the annual programs participated in by the FHA club were the Tub-firm drive, the Goodwill clothing drive, and the Denton State School contribution. The Tub-firm drive to collect used postage stamps was used indirectly to aid in rehabilitating the children of Norway. The members went house to house in search of usable clothing for the Goodwill clothing drive and many girls made clothing for the Denton State School.

The cooperative program was organized for the purpose of supervised training requiring home economics knowledge and skills.

Members of the FFA learned how to conduct and participate in a public manner, to buy and sell cooperatively, and to assume many civic responsibilities. All students enrolled in vocational agriculture were entitled to membership. This year the FFA participated in the District contest in Azle on November 9 and the Area contest on November 14 in Commerce. The Area Banquet was on October 25 in Fort Worth and the District Banquet in Arlington on January 13. The annual FFA rodeo was April 2 and 3 in Weatherford and the Parent and Son Banquet was held on April 29 also in Weatherford.

Office Aids Devote Time to WHS

Sacrificing their own time for the benefit of school efficiency, the Office Aides also added a certain charm and elegance to an otherwise dull task. Mrs. Mary Lou Taylor, office secretary, along with the 14 girls reliably collected class rolls, ran errands and received phone calls each day. Checking class rolls, with Mrs. Julia Gerloff,

attendance clerk, also came under their jurisdiction much of the year, a job which couldn't have been accomplished without their help. In addition to routine office work, the girls sometimes aided teachers with grades and averages, thus making themselves useful to everyone at WHS.

Jets Prepare for Future

Directing the 1970-1971 JETS was the challenge of Mr. Phil Simmons. The capabilities of his work was clearly shown in the actions of his members. One of the main items on the agenda was the JETS conference at Texas A&M college in March, also plans were made to visit a college campus sometime during the spring. The initial interests of the JETS members was engineering and technology as well as helping involved students get off on the right foot in these fields. As members of the club will attest, the club did an excellent job.

WHS Cheerleaders Excel in All Round Performance

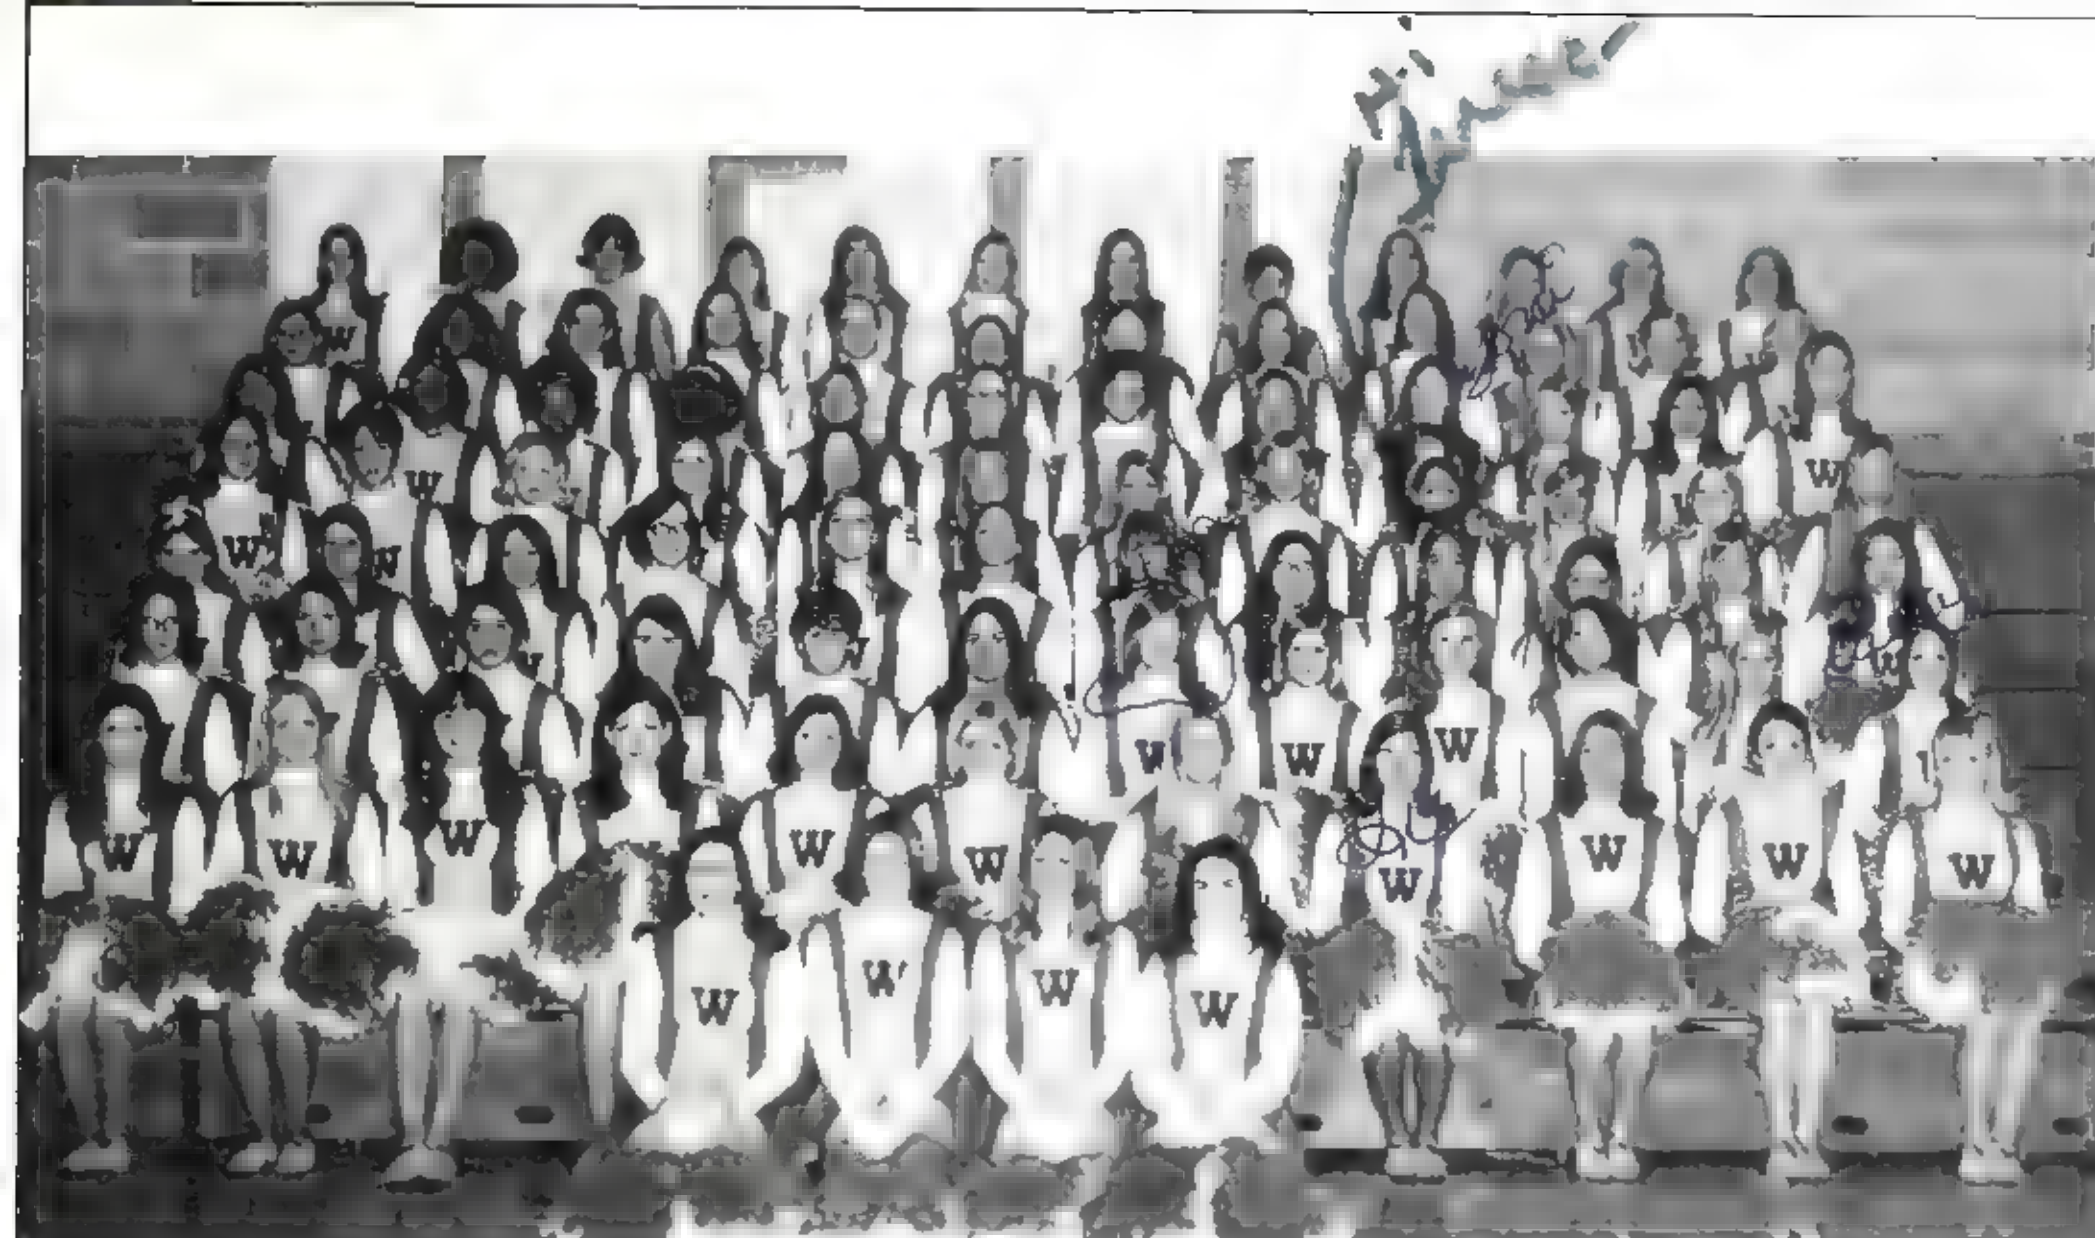

Spirit and a never-say-die attitude, two of the most important ingredients of a good cheerleading staff were aptly displayed by our cheerleaders this year. Their radiant ability was shown throughout the year even during darkest hours. The cheerleaders attended the SMU Cheerleading school in the summer preceding the 1970-1971 season on June 14 through 19 where they received five ribbons and the highly coveted SMU Spirit Stick. The first for WHS, the stick symbolized ability, spirit, and enthusiasm. Besides leading the WHS student body in boosting our athletic activities they showed an exceptional attitude and manner of conduct in their personal lives as well.

Pep Squad Kangaretts Promote WHS Spirit

Beginning in the summer preceding the 1970 season officers for the Pep Squad were elected. These officers worked with the rest of the pep squad throughout the summer in order the needed perfection

for performance. Six officers and two members of the squad worked to attend the annual SMU Pep Squad Drill Team School in July, then the eight girls traveled to Dallas to spend a week at the SMU school learning new hand and pom pom routines. For the remainder of the summer and continuing into the 1970 school year the pep squad, sponsored by Mrs. Alice Holtzclaw, worked hard together every Tuesday and Thursday afternoon of each week learning several different routines plus the new yells of the cheerleaders. The girls voluntarily worked in the concession stand at the "B" team games and also decorated the goal posts before each home game.

Kangaroo Band Promotes Spirit and Wins Honors for WHS

Proving to all interested parties that a band does not end its major activities with the last football game of the season was the challenge of Mr. Henry Schraub.

The four band rehearsals a week attended by the students beginning in July of 1970, proved their determination to succeed, while their awards and performance showed their ability. The marching band entered the UIL contest in Louisville and obtained a Division I rating and 20 students tried out for the All Region Band at Louisville. The concert band, organized after Christmas, performed at the Solo and Ensemble contest in March at NTSU, the Spring concert for WHS, and the Tri-State music festival in Enid, Oklahoma.

The Varsity Band competed primarily in the same competition as the "A" Band of WHS. The music was of the same class but on a slightly less difficult level. They competed in "AA" competition at UIL, and the Tri-State music festival in Enid, Oklahoma. They also performed for a Freshman-Sophomore assembly and at the Castleberry Band Festival.

Stage Band Performs Classically

Foremost in the minds of the members comprising the 1970-1971 Stage Band was distinct liking for the classical spirit in music. The band performed at several service clubs throughout the year and at the band concert on May 13. They traveled to the Tri-State Music Festival in Enid, Oklahoma on May 5-8 where they entered the Stage Band competition. The stage band is made up of various instruments of the marching band plus a piano. Considering that membership in the stage band, which was also directed by Mr. Schraub, was strictly voluntary, the students did an outstanding job of presenting the classical aspect of music.

Chorus Students Share Their Musical Talent

Musically inclined students this year were given an exceptional opportunity to develop and share their talents. The chorus of 1970-1971 was under the direction of Mr. John McCasland. They performed at the Vernon half-time show, the Christmas festival on the 10th of December and in various assemblies throughout the year.

Other activities for the choral students was their part in the Thespian Christmas Play and Concert in December. They competed in the Denton University Interscholastic League in April of 1971.

Library Aids Serve WHS

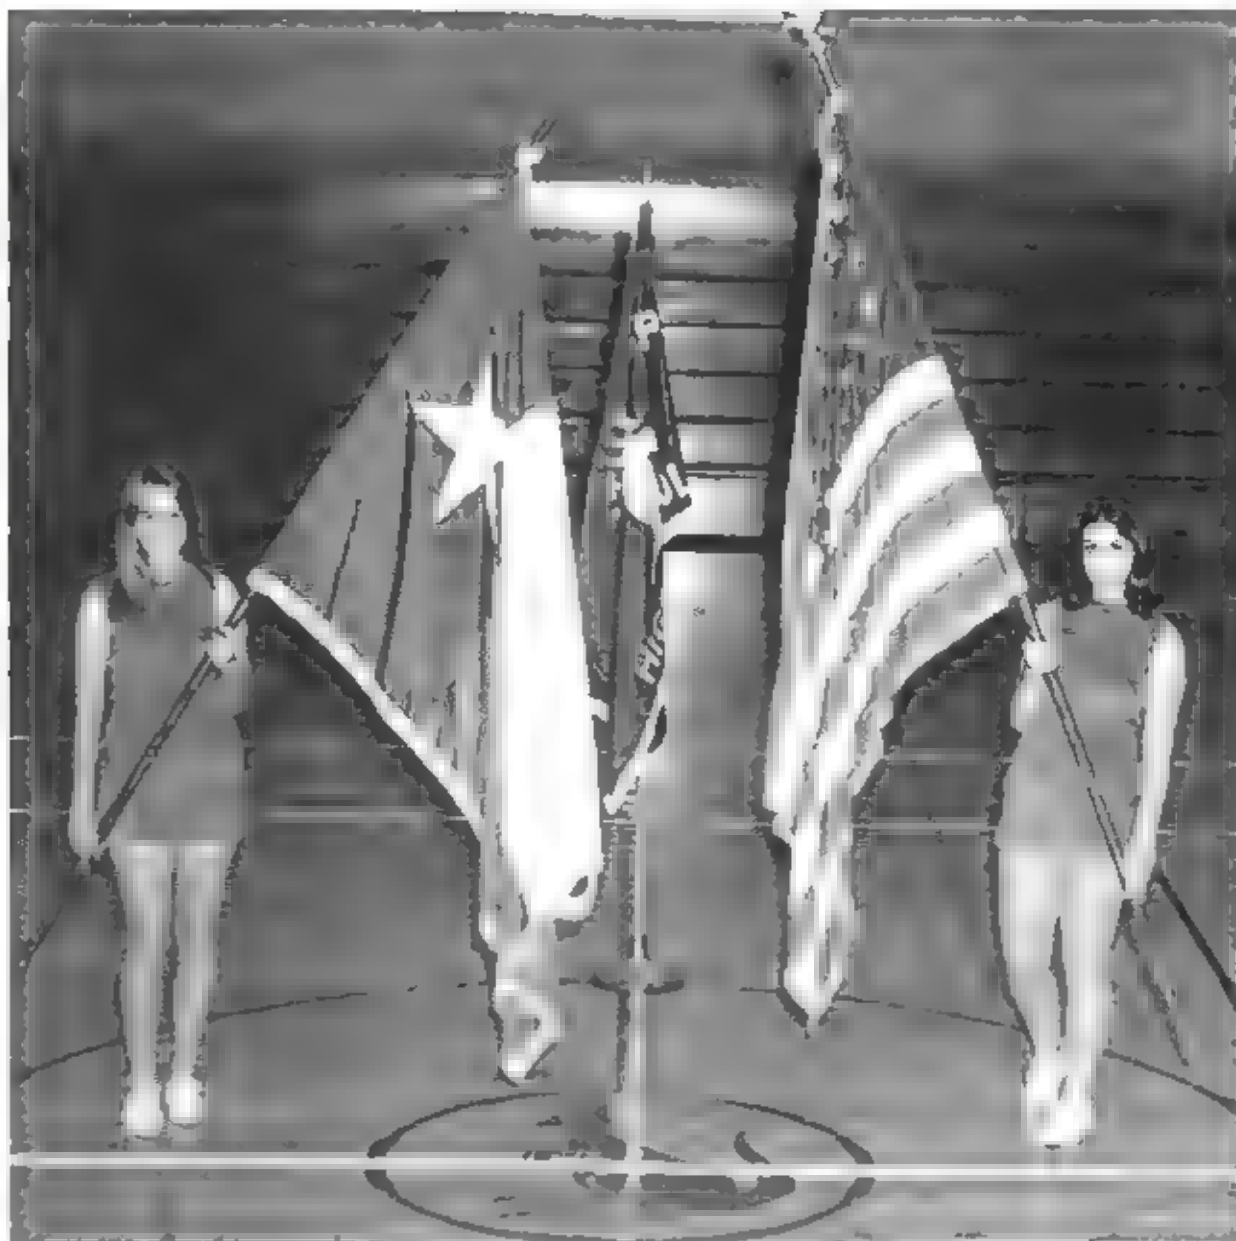

Checking books in and out, keeping the library neat, and helping students find needed materials for their school assignments were a few of the tasks of the Library Aides this year, sponsored by Miss Juanita Davis and Mrs. Dell Seaberry. The aides sacrifice a study hall each day to work in the library. Making a quiet and orderly as well as attractive area for the conscientious student to study was the aim of the Library Aides and as every one at WHS can testify, this aim was well carried forth.

Flagbearers

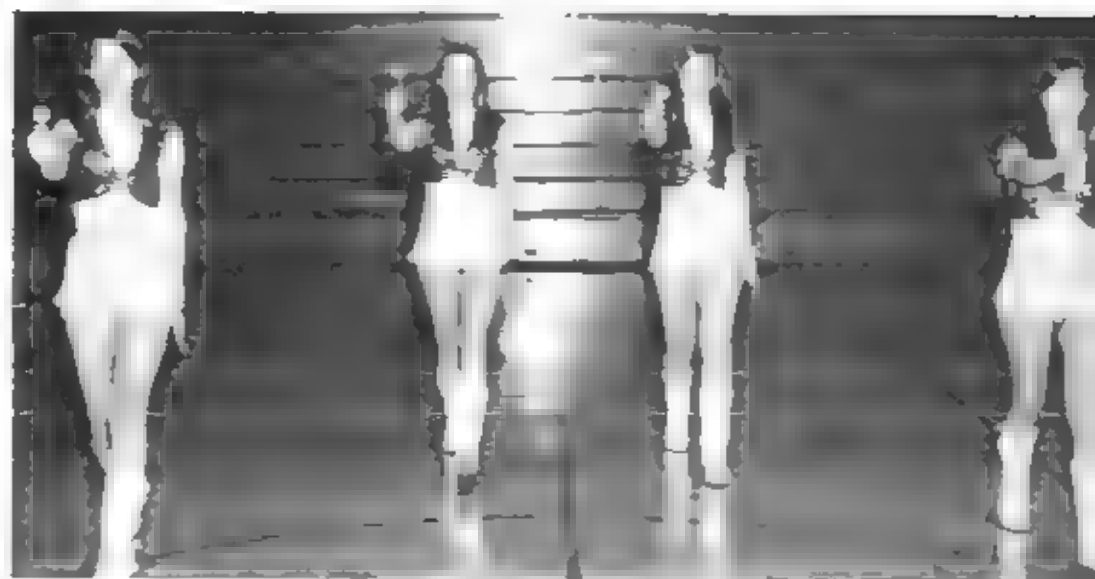

Proudly Present Colors

Flying the colors at each and every school pep rally, local parades and special assemblies is a time-worn and honored tradition. Three girls, selected each fall by the WHS band members in a nomination-vote method presented the flags of our school and nation. Each school-wide event was preceded by the presentation of the flags, this, the first year ever our school flag was shown.

Twirlers Add Sparkle to WHS

Requirements for being a WHS twirler include a B or above grade average, one year of marching experience with the WHS Band, and certainly a fantastic amount of determination and self-denial. After being elected in the spring of 1970, the girls attended the Kilgore Junior College Twirling School where they worked on dance routines, contest routines, and improved their fundamental techniques. All their efforts paid off for them with the privilege of performing at all WHS pep rallies during the 1970-1971 season, and during half-time activities at all our football games. Their hard work and fine personal attitudes proved them worthy of congratulations on the part of every WHS student.

The WHS Grass Burr, sponsored by Mrs. Charlotte Skidmore, experienced a successful season this year, reporting the news of their classmates to others so they may be reminded, and re-experiencing their own activities themselves. The paper contained many of the student body's own creations in the form of poems, letters and interviews. Editorials were written and up-to-date information was included on many topics interesting all students age 11 through 18. Experiences in the lives of many of the students also included as well as the ever popular "Goatheads" section, helping others to find comfort in the fact that they themselves don't always make the worst mistakes after all. The funds for the purchase of the staff's own typing machine were provided for from the sale of the paper. This and many other sacrifices made by the 1970-1971 staff denoted the determined attitudes and reliable characteristics of each member.

Preparing the school yearbook is an extremely difficult task and requires a great deal of self-denial and willpower. Mrs. Charlotte Skidmore directed the staff with great dexterity and a personal touch, as all the staff members will attest.

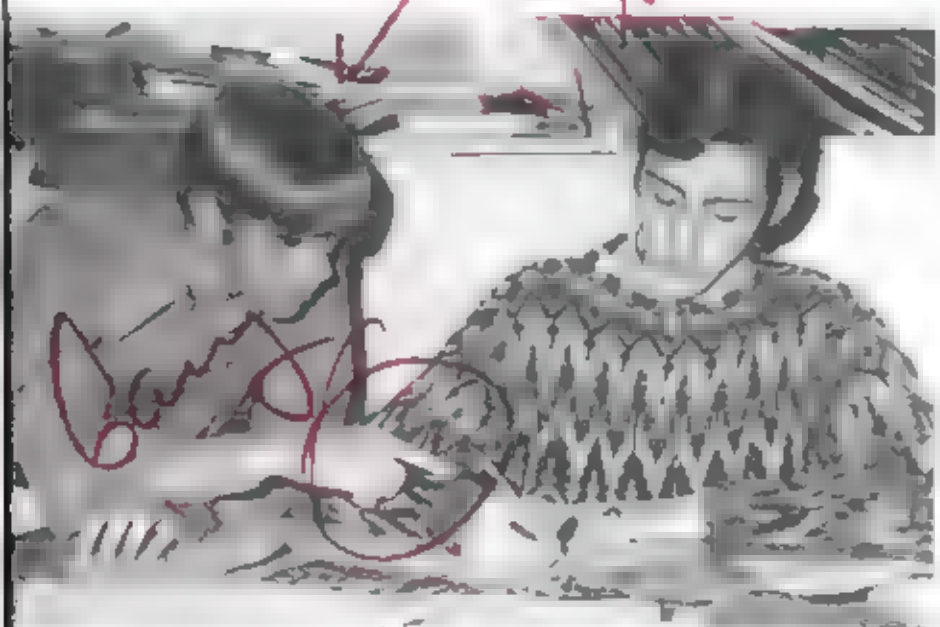

Previous triumphs of the Melon Vine Staff include an A rating by the NSYA on the 1969-1970 yearbook. **RIGHT: Mrs. Charlotte Skidmore, sponsor, Connie Montgomery, editor, and Joyce Reynolds, business manager, pour over plans for the 1971 Melon Vine.**

The workings of a yearbook require many hours of work in drawing layouts, choosing photographs, and writing copy for each particular section.

The staff this year in their quiet moments - the few that there were - relaxed by various means each of them designed to get to know everyone else a little better. The end result was a feeling of simplicity and welcome relief seldom found in everyday life.

1970 Kangaroos

Fight To 3-7 Season

Despite a rather poor season record, this year produced many enlightening expectations for future seasons. With the loss of only fourteen lettermen and the return of thirteen experienced lettermen, next season should prove a brighter, more rewarding one. Four players of the 1970 Kangaroos received awards. Two of these awards were received by returning lettermen; the other two by seniors.

This year's offensive and defensive first teams consisted of six seniors, ten juniors, and four sophomores. The lack of senior experience was made up by determination and desire from the six senior starters.

Most consider the record of a team as the story of its accomplishments. But this assumption is wrong in the case of the 1970 Kangaroos since they achieved their record with a lack of experience and age. Next season the age and the experience will be present and noticed.

Cleburne 26 Roos 21

While the strong 4-A Cleburne team showed their effectiveness by jumping to a 19-0 halftime lead, the determined Kangaroos showed an even greater effort as they made a remarkable 4th period comeback in which they scored all of their 21 points.

Weatherford's fourth period scoring spree was ignited by the continuous long yardage scrambles of Quarterback, Brad Stroud, and performances by Jimmy Brian on defense and Lynn Reynolds of the offense.

Robert Murphey increased the Roos' winning chances by hauling in a twenty yard pass. But the combining forces of a penalty and running out of time clenched Cleburne's first victory. The final score stood in Cleburne's favor 26-21.

Mineral Wells 20 Roos 29

Victory came first for the Weatherford Roos in their second game of the season with rival, Mineral Wells. The Roos, behind 14-7 with little time left before the end of the half, were led by Senior Quarterback, Pat Hamilton, who came in the game and promptly threw two complete passes. The last pass Senior Robert Murphey caught for a touchdown that put the Roos on the scoreboard again and tied the game 14-14 at the end of the first half.

A much determined Roo team came out for the second half, putting their offense to work and scoring fifteen points, thanks to the running of backs George Washington, Steve Vincent, and Brad Stroud. The defense proved worthy of their jobs by holding the Rams to just six points.

Azle 22 Roos 13

Weatherford spectators and players suffered both misery and defeat against Azle in at least three inches of rain and mud.

When the Azle Hornets got first possession of the ball they showed a fine ground attack as they slipped and slid for a touchdown.

But the Roos were just as effective both on ground and in the air when quarterback Brad Stroud first rambled for long yardage on an end run then tossed a touchdown pass to split-end Charlie Horton. The extra point was good enough to put the Roos ahead 7-6.

But the Hornets took advantage of several Roo fumbles to go ahead 14-7. And after a Roo touchdown but no extra point, the Hornets stayed ahead 14-13.

The Roos made several more long drives due to performances by linemen and also by backs.

Burleson 14 Roos 35

Much to Weatherford's desire, the final score with Burleson stood out as 35-14, but seven fumbles during the course of the game almost proved disastrous for the Roos. The score at half time stood 14-7, Weatherford's favor.

A tough ground attack by Burleson accounted for their two touchdowns, but key injuries became big problems.

Steve Vincent added to the Roo running attack with continuous long yardage gains and scored the fourth of Weatherford's five touchdowns.

Weatherford's district season was started off against Stephenville and on the wrong foot. Two Roo fumbles resulted in two Yellowjacket touchdowns and the beginning of a big district Roo loss.

Stephenville fought to a fourteen point lead before the Roos could score, but Weatherford then promptly moved the ball for two touchdowns as the half time score stood 14-12, Stephenville's favor.

The Roos continued to fight and drive through, thanks to the running of Steve Vincent, Jimmy Brian, and George Washington; along with the pass receiving by Charles Horton, Robert Murphey, and Melvin Rucker. The final score stood 40-12.

Burkburnett 14 Roos 0

Due to tragic mistakes, the Kangaroos lost their second straight district game against Burkburnett. Both teams showed strong defenses throughout the game as only two touchdowns were scored.

The Kangaroos made drives continuously through the game, getting inside the other team's territory twenty-five times. But they could not spark a scoring drive all night and suffered a loss due to this factor.

An intercepted pass and a blocked punt gave Burkburnett possession of the ball for their two scores.

Wichita Falls Hirschi came back from a six point lead with an avalanche of scores in the second half to decisively beat the Roos by a score of 29-0.

Fumbles and a faltered offense proved to be too much of a disaster in the second half for the Roos as the Huskies scored three touchdowns getting points after on each and then blocking a Roo punt that was received by a Roo player resulting in a safety and two more Wichita Falls points.

There were noted performances by Roos' Philip Walker and George Washington on offense along with Jerald Brunson, Steve Vincent, Melvin Rucker, Bob Brown, and Brooks Worthington on defense.

Brownwood 28 Roos 0

Probably the toughest Roo foe of the year was Brownwood, the state champion football team. But unlike previous teams, the Roos held them to a 14-0 half time lead and played a close ball game. Even though the final score stood at 28-0, it was a Roo triumph although not a Roo victory.

UPPER LEFT: Defenders Brooks Worthington (45) and Billy Ware (83) jump on Hirschi runner. TOP RIGHT: George Washington (33), with the aid of Brad Stroud (15), Lynn Reynolds (66), and Jeff Weddle (61); gains good yardage against Graham. BOTTOM: Steve Vincent (35) and George Washington (33) close in on Brownwood runner.

Graham 13 Roos 18

New life was received in the Weatherford Kangaroo team. They came from behind and scored a deserving victory over the winless Graham Steers, by a score of 18-13.

The Roos were not to be denied of a victory after a Graham score as they capped a long drive with a touchdown. The Roo offense again went to work and scored a much needed touchdown to close the scoring gap within one point, but missed the extra points. It was the Roo defense that then made the clutch plays and forced Graham to turn the ball back over. As a result, another Roo six points was scored, and a Roo victory gained.

On offense George Washington, Steve Vincent, Pat Hamilton, and Phillip Walker helped with clutch Roo plays. While on defense, Brooks Worthington and Carroll Dawson aided in the cause.

Vernon 35 Roos 14

The last game of the football season was played with more indication of new life and hope than with the loss of desire, as the Roos struggled through a 35-14 defeat against Vernon.

Each team matched scores in the first half, Vernon scoring first after a long drive. Then Weatherford jumped on the scoreboard as the result of a nine yard run by tailback, Brooks Worthington. Vernon then capped off another drive with a score. But the Roos were not in the hole for long, as Brad Stroud got six points on a four yard run. Jimmy Brian's extra point tied the score.

Vernon threatened late in the first half, as only a few yards separated them from a touchdown. But the Roo defense stiffened on probably their strongest stand of the year to hold Vernon for four downs to no yardage, as the clock ran out in the first half.

A new, revived Vernon offense exploded in the third and fourth quarters to extinguish Weatherford's hopes of a victory.

Roo offensive standouts were Brooks Worthington and Charles Horton.

B-Team Turns in 6-3 Record

For the Spectators, a football game is an exhilarating experience; for the players it has a purpose.

The purpose of our Kangaroo "B" team is to join experience with ability for the hope of forming a better varsity in the future years. It is a known fact that this year's "B" team fulfilled their purpose. These young, aggressive athletes are now ready to join the varsity team in its physical assault upon other teams in the fight for a first down, a touchdown, and a victory.

FIRST ROW, L to R: Ricky Strickland, Ted Barnardner, Howard Green, Mike Gray. Freshmen Fight to 9-1 Record

For the Freshman football team to finish their season of regular play with a 9-1 record is an extraordinary feat of dedication and vicarious warfare. This year's Kangaroo Freshman football team will be recognized not only as one with outstanding records, but also as the first of Freshman teams to play as senior high school students in this school. This one group of athletes appear to already be on the road to future glorious victories.

 SENIOR '71

The '71 KANGAROOS proved themselves highly capable and potent for competition in district play. It looked bright for the ROOS, with five veteran roundballers, three former Junior Varsity members, and a prospective sophomore talent.

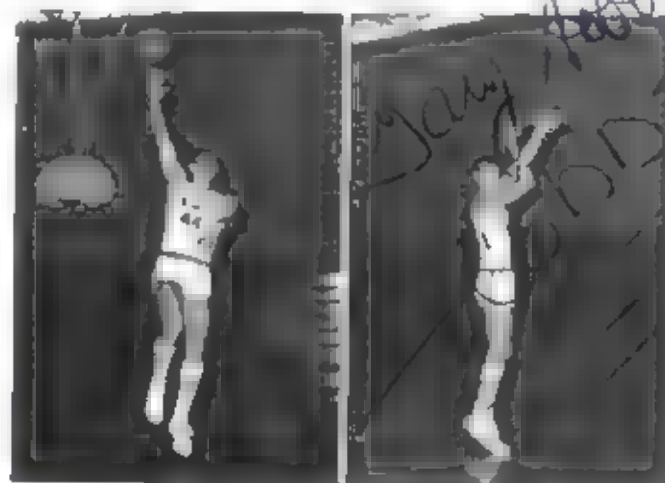

Senior captains, Robert Murphey and Gary Hobbs led the pack all the way. Other Seniors, Randy Mellard,

Ricky Davis, Mark Littleton, and David Terry showed fine qualities in varsity play. Although the Seniors carried the bulk of the load, Juniors Butch Hott and Carroll Dawson contributed much to the team's 6-6 district record. The lone Sophomore, James Rucker, gave promise of future talent for WHS teams to come.

The 1971 Kangaroo Junior Varsity came out with a poor record this season, winning three and losing nine ballgames in district play. However, they did win a few non-district games as a result of their hustling and desire. The team consisted of seven Juniors and four Sophomores. Coach L. W. Fitzhugh instructed his team, and is shown at left going over the game plan with Billy Stone.

To excel in track, a team needs to possess two important ingredients: dedication and determination. These ingredients are important factors of each sport, but they are the main requirements of track. In the Roo track team, it was obvious these factors were present as the team competed in an eight track meet schedule, making a fine show at each meet.

Fresh Cindermen Show Strength In '71

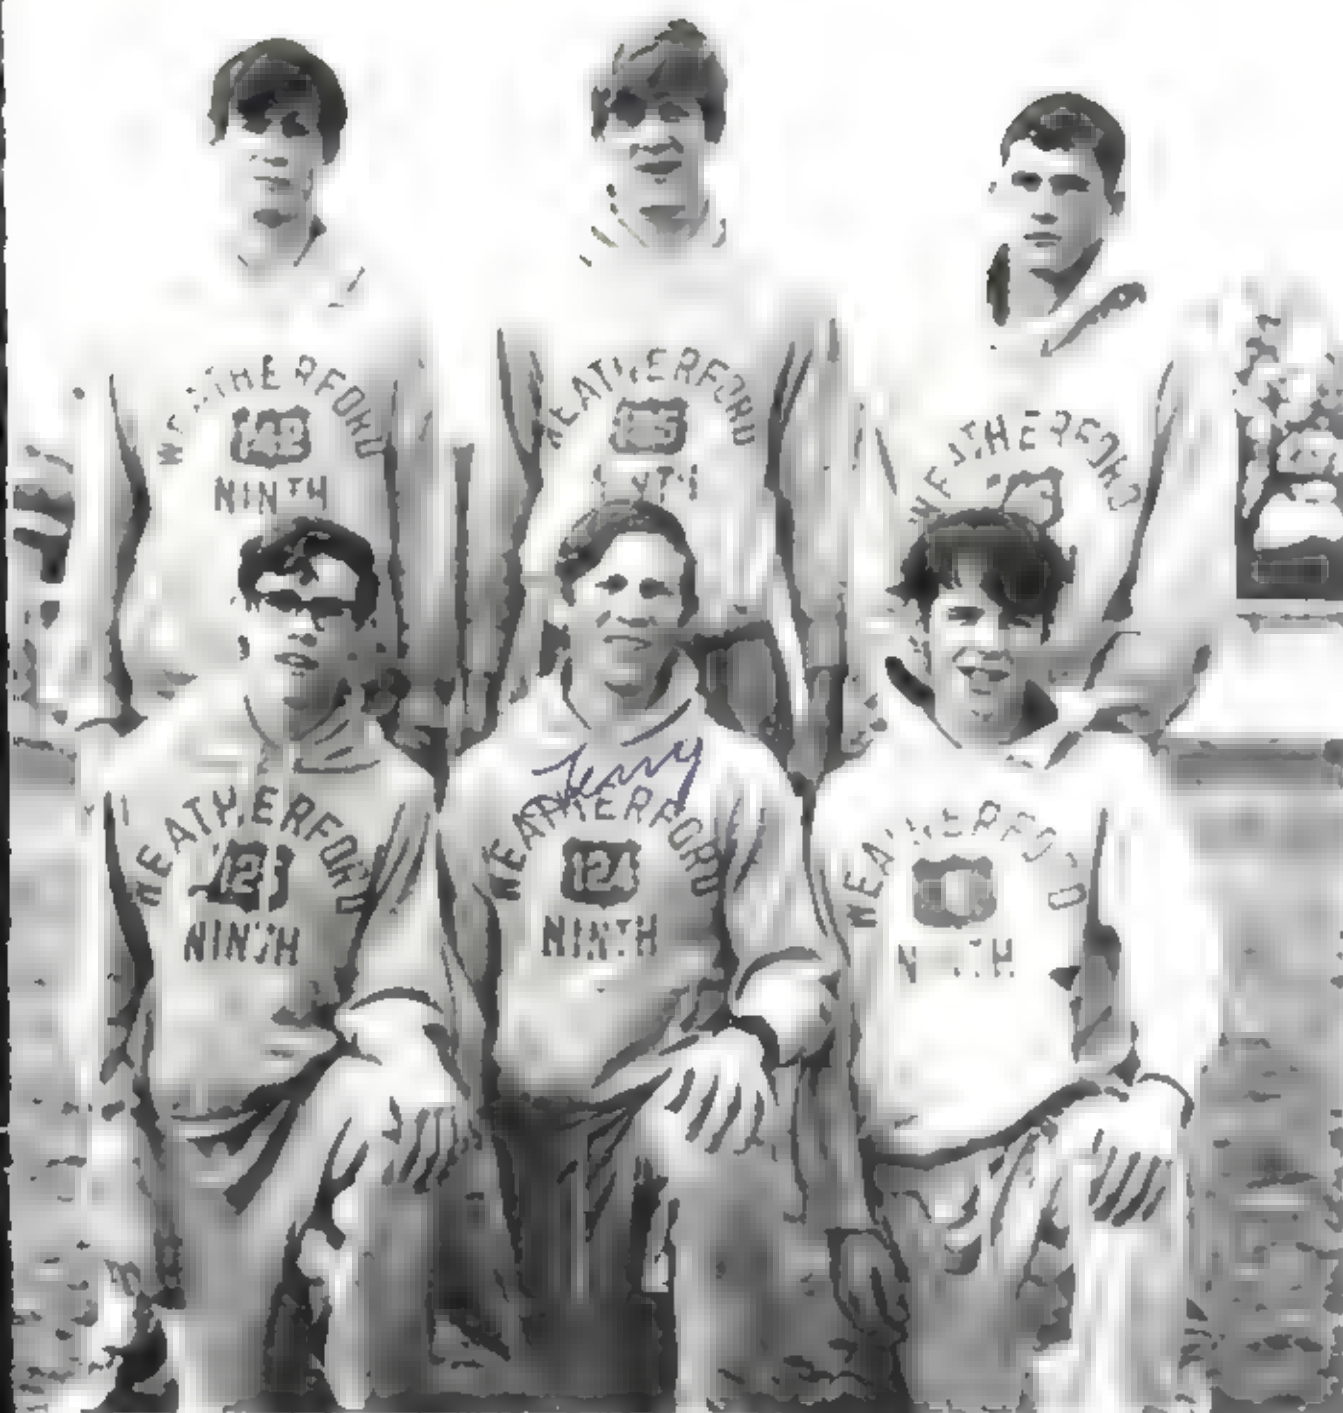

Gaining valuable experience, some thirty young cindermen combined their skills to make up the 1971 Freshman Track Team. Most of the team participated in last year's Junior High program, but still lacked ^{nothing except Lovelace} speed, for sprints and hurdles. However, things looked bright for the weight men. Paul Dowd and Tom Spence showed good form in throwing the discus, while shot putter Mike Wington did very well in area competition.

Two Senior Lettermen Head Golf Team

Being a rather young group, the 1971 Kangaroo Golf team lacked experience, but as the year progressed, they improved on skills and techniques. With only two returning lettermen, Seniors Gary Towles and Doug Smith, Coach Charles Lawrence led his team to quite a swinging season. Sophomores Gary Westenhov and Ricky Walker, along with Freshmen Burl Sloan, Tim Lewelling, Scott Yeary, and Steve Rains showed promise of a far better team in forthcoming years at WHS. This year's Roos had two Recreational meets at Benbrook and Richland. There were three tournaments at Brownwood, Graham, and Vernon in which they placed well in each.

Experience Aids In Joey Skill

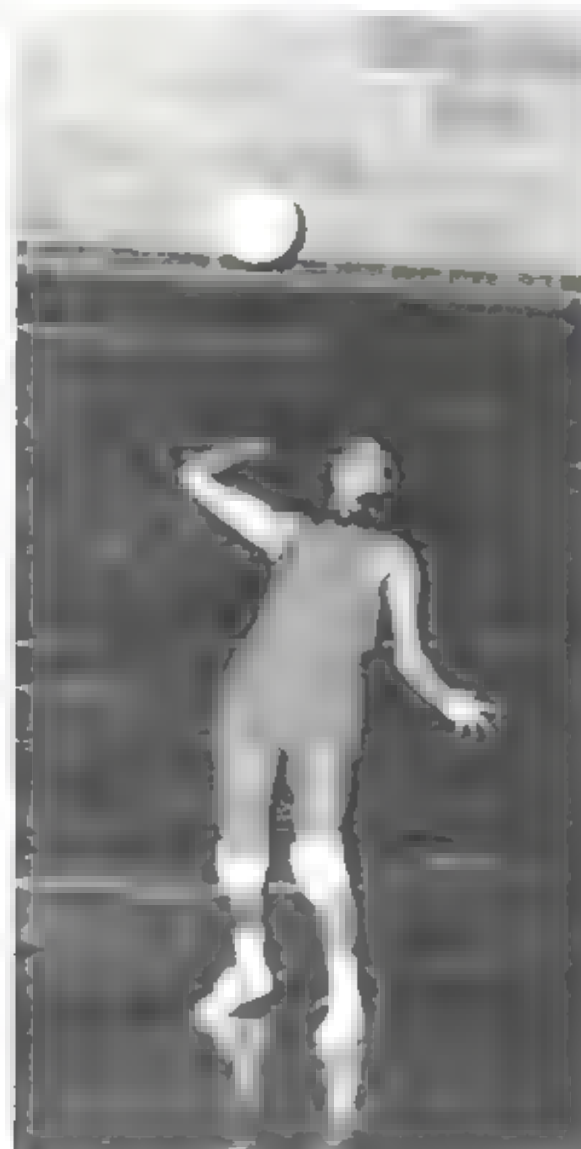

After winning second in district last year, the Roo volleyball team accomplished a lot this year. Miss Priscilla Young coaches both the Varsity and "B" teams.

Seven team members returned from the 1969-1970 season. This year's varsity consisted of seven seniors, one junior, and one sophomore. Experience, determination, and skill are sure to take the Joeys far this season.

Roo Tennis Team Swings Into Action

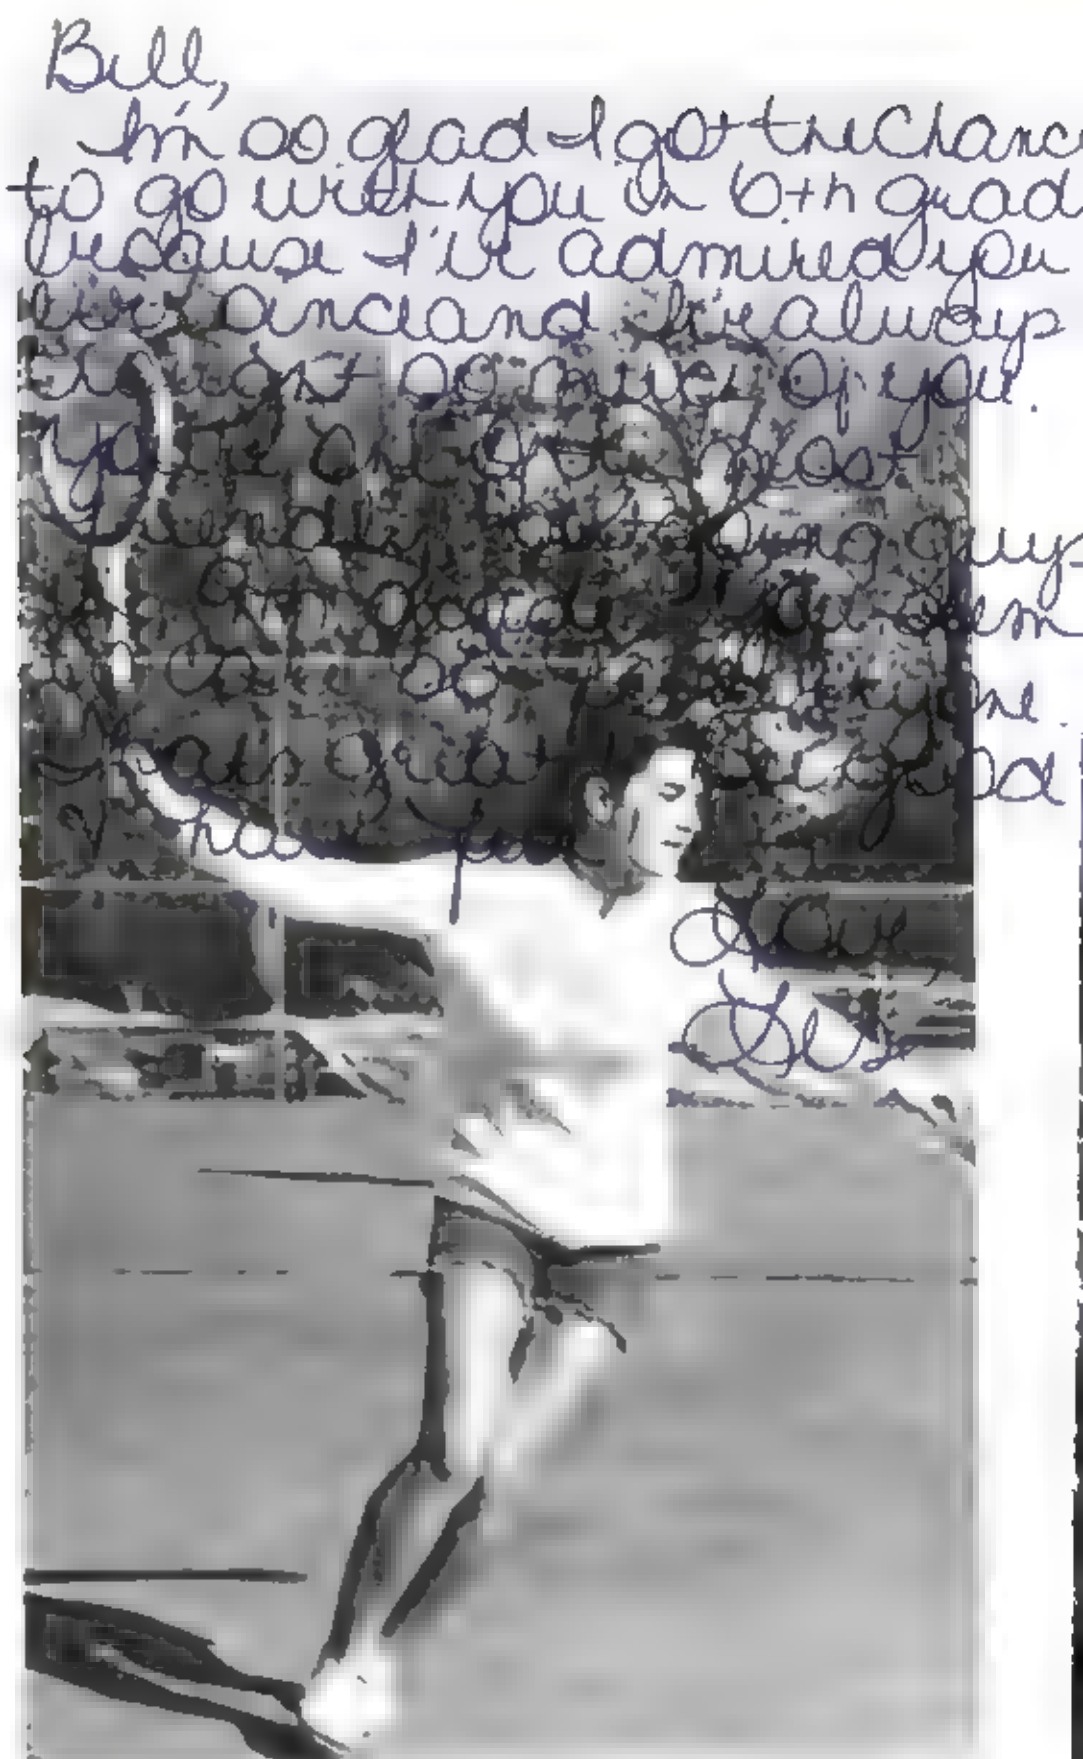

With several returning lettermen and many Sophomore and Freshman students preparing for this year's team, Mrs. Alice Holtsclaw felt the team had great potential. The highlight of the year was the annual Weatherford Invitational Tennis Tournament in which many neighboring schools participated in what proved to be an exciting event. Sports At WHS Involve Many

Pride, spirit, and determination are the attributes that set an athlete apart from others. This year's athletic department was characterized by drive and the will to win. Spectator participation, practice, and hard work, coupled with an excellent coaching staff, brought about an exciting season of sports at WHS.

Teachers Elect Ten Seniors To Who's Who

This year, as in years past, the faculty members of WHS were asked to nominate five seniors whom they felt were outstanding. These nominations were based on leadership, scholarship, and personality. Ten of these students nominated were voted as Who's Who for 1971.

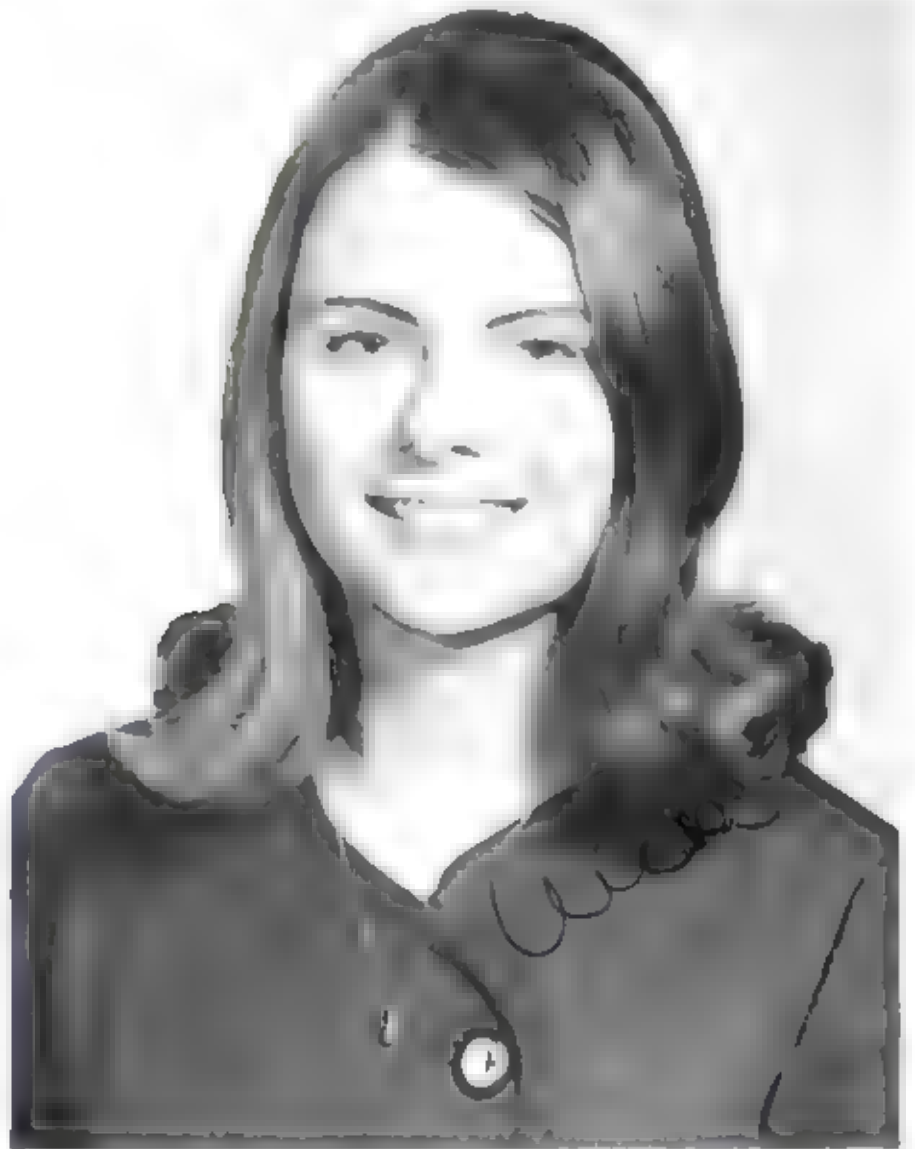

Linda Noland

Linda Noland, a member of Teacher Aide this year, plans to work for a degree in teaching. She is the president of Office Aides and is in NHS, FTA, FHA, and Los Hildalgos. After attending Weatherford College, she plans to go to Texas Tech or the University of Texas at Arlington.

LEFT: Seniors Sharon Lockwood, Linda Noland, and Vicki Snow discuss Teacher Aide class with Mr. Reynolds.

Vicki Snow

Vicki Snow, Miss WHS, was an active member of FTA and Student Council. After serving as a Teacher Aide, she would like to teach P.E. Vicki was also a member of the varsity volleyball team and in 1970, she received the honor of being chosen Football Sweetheart.

Sharon Lockwood

In her senior year, Sharon Lockwood was president of Student Council, was a cheerleader, and a member of Teacher Aide. Sharon would like to attend TCU in the fall. She is uncertain about her career, but she would like to do some kind of work in which she can help people.

Outstanding Students Voted Who's Who

FFA Beau
Tom Davis

This past year, the Future Homemakers of America elected Tom Davis their beau. Each girl in the club nominated one boy from the senior class and then all members voted on the nominations. Tom is an active member of Thespians, FTA, and Melon Vine.

Academics.

The pulse of academic life

Beats constantly.

Conquering all obstacles,

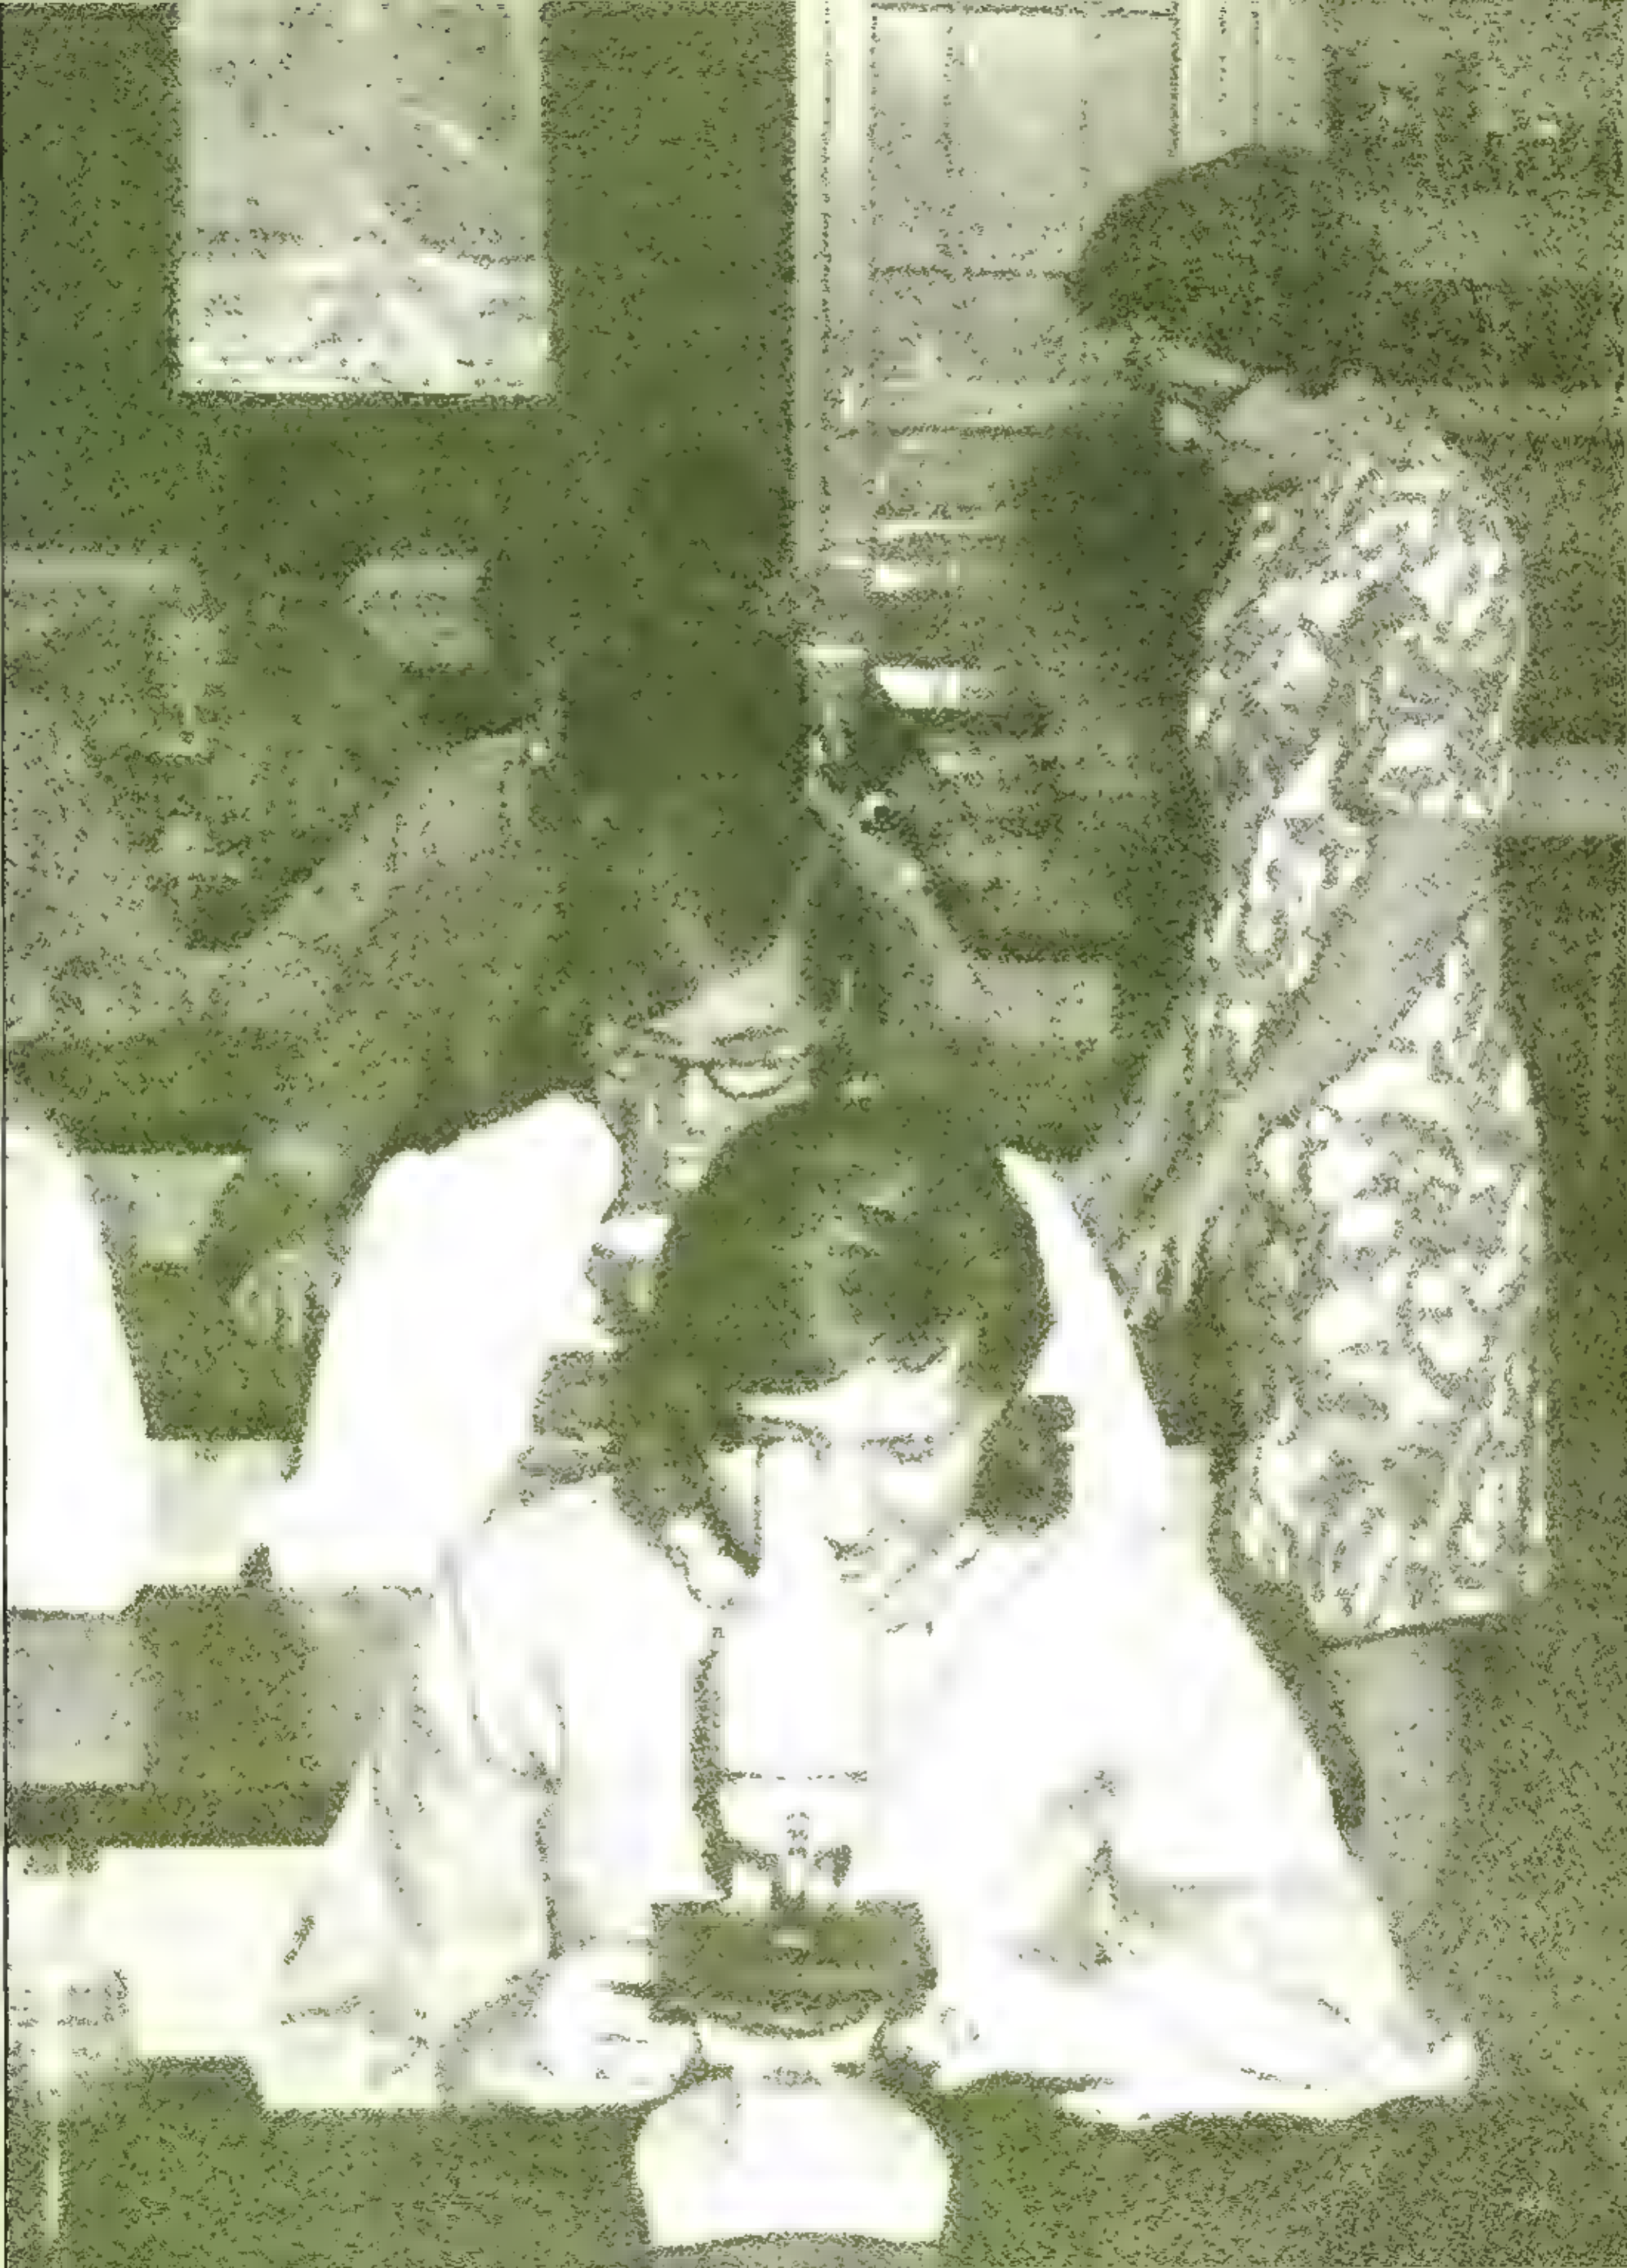

Opening up walks of life for everyone.

Records, grades, reports, exams . . .

Moods of many faces.

Dreamers and doers, all a special part.

The sounds of people sharing knowledge.

Faculty and curriculum.
They taught us new ideas,
New concepts to puzzle our thoughts.
Devoted their time to assist,
Gave their knowledge to teach,
Kindled us with a desire to learn,
Molded and modeled our lives.
Encouraged and helped all they could,
Tried hard to understand us.

Mr. Raymond Curtis — Superintendent

With the changes and growth of WHS the responsibilities of Mr. Raymond Curtis have gone through changes also. Through the new vocational courses, Mr. Curtis is helping students to prepare themselves for their future place in the world.

Mr. Curtis attended the small high school in Allen, Texas. He received his BS and his MA at NTSU. In 1954, Mr. Curtis became principal of WHS, and in 1963, he became Superintendent of the Weatherford Independent School District.

Board Of Trustees

As the enrollment of the Weatherford Schools continues to mount, the members of the Board of Trustees find more issues confronting them. This year, the sixth grade was included in the Junior High to make the Middle School. The ninth grade was included in High School.

This year the Board of Trustees decided to permit the wearing of slacks for girls. With the help of the Board of Trustees, the Weatherford School District is kept modern and comprehensive.

Mr. James W. Simpson Principal

During the difficult transition period, Mr. James W. Simpson was a major factor in helping Freshmen and Sophomores adjust to their new surroundings. Not only did the student body increase greatly, but the faculty increased also. Mr. Simpson's rare quality of a clear mind in difficult circumstances has often proved invaluable in solving administrative problems. Mr. Simpson attended high school in Ballinger, Texas. He then attended NTSU, where he received his BA and MA. He has previously held positions in several schools. His wide range of experience in administration well qualifies him as principal of WHS.

Mrs. Mary Lou Taylor Secretary

Mrs. Mary Lou Taylor showed her qualifications as secretary of WHS by coping with the headaches of breaking in the Sophomore and Freshman classes at WHS this year. She proved invaluable in carrying out the business dealings of the school. Her efficiency was recognized when she was presented with a Professional Secretary Standard Certificate by the NEA. Mrs. Taylor is always reliable in helping Mr. Simpson or Mr. Smith.

LEFT: Mr. Simpson saw a large increase in the student body this year. TOP: Mrs. Mary Lou Taylor aids in the organization of office work. ABOVE: One of Mr. Simpson's duties was to see that the school ran smoothly.

Mr. Gerald Smith Assistant Principal

Mr. Gerald Smith attended college at Texas Tech, there receiving his BBA. He later attended North Texas State University and received his ME there. He is presently attending East Texas State. Mr. Smith previously held positions at Morton, Texas and Aledo, Texas. He began his present position as assistant principle in 1960, when he also taught Distributive Education. Mr. Smith has the problem of discipline at WHS. He must see that disagreements are handled fairly, and that other problems do not arise.

Mrs. Julia Gerloff fills a new position of attendance clerk at WHS this year. She aids in keeping attendance records, and other services in the office.

Counselors Assist Students

The Counseling Department is readily available to any student needing guidance in either their high school or college plans. Students may be sure that they will find assistance here.

Mrs. Polly Patton is in her first year of counseling at WHS. She came to WHS in 1968, and has taught French and English until this year.

Mr. Arthur Stockstill received his BSA and BBA at East Texas State University, and his M.Ed. at North Texas State University. Mr. Stockstill sponsors the Student Council at WHS.

Mrs. Wilma Simpson is the Counselor's Aide at WHS. She offers any assistance possible to them as well as the students.

Librarians Encourage Intellectual Growth

WHS Librarians, Miss Juanita Davis and Mrs. Dell Seaberry, have brought more and better reading materials to the library. Miss Davis was a high school honor graduate, and attended Texas Women's University. There she received her BA and later her M.S. in Library Science. From 1931 to 1938, she was librarian at WJC. Miss Davis came to WHS in 1958 ... She sponsors the Library Club.

Mrs. Dell Seaberry attended Weatherford Junior College and Texas Wesleyan College on a singing scholarship. At TWC, Mrs. Seaberry received her BA degree in English and Music. Mrs. Seaberry began as librarian at WHS in 1968.

Practical English Course Introduced at WHS

Mrs. Nell Dean Wilson

Mrs. Charlotte Skidmore

Miss Maybelle Whitsett

Mrs. Nell Dean Wilson received her BA degree in English at Trinity University, and her MA degree at the University of Texas. She first taught at Bay City Junior High at Overton, Texas. She taught there for twelve years. This year, Mrs. Wilson is teaching English I and is helping freshmen to adjust to their first year at WHS.

Mrs. Charlotte Skidmore graduated from WHS as an honor graduate and was editor of the Melon Vine while in high school. At Weatherford Junior College, she served as Student Senate Treasurer, and was chosen Oak Leaf Queen. She attended Texas Women's University and received her BA in English and History; she also was a college honor graduate. She came to WHS in 1967, and now teaches English III. She also sponsors the Melon Vine Staff and the Grass Burr Staff.

Miss Maybell Whitsett teaches English IV classes at WHS. Miss Whitsett received her BA degree at the University of Texas and her MA degree at Columbia University. Miss Whitsett serves as head of the English Department at Weatherford High School.

Business Courses Prepare Students For Future

In this time of increasing complexity in everyday life, some knowledge of the business world is necessary. Under the supervision of the WHS Business Department, many students have been able to obtain some training in the ever-expanding field of business-related occupations. Students are able to take courses in Shorthand, Bookkeeping, Economics, Business Law and Math, and Typing I and

II. Also offered is a course in Vocational Office Education, where students attend school one-half day and work one-half day in local businesses. With such an abundance of business courses offered, WHS students go into college and the world with a solid foundation needed for daily living.

Mrs. Elaine Cox received her BS in Business Education at Midwestern University. Mrs. Cox worked in secretarial and typist jobs before coming to WHS in 1965. She teaches and sponsors Vocational Office Education this year.

Mrs. Ima McCrary majored in Secondary Education at NTSU, and there received her BS. She came to WHS in 1967, and now teaches Bookkeeping, Business Math, and Typing I. She is very active in FBLA.

Mrs. Ruth Ann Richardson attended Hardin-Simmons University, where she received her BBA in Business Administration. She came to WHS in 1967, and teaches Shorthand, Typing I and Economics. She is also a sponsor of FBLA.

Mrs. Bobbie Robinson received her BBA at NTSU, and her ME at ETSU. While attending high school, she was a member of NHS. She came to WHS in 1953. She now teaches Typing I and II and Business Law. She, too, is a sponsor of the FBLA.

Home Economics Provide Experiences In Daily Living

Under the direction of experienced teachers, students at WHS gain practical experience through courses in Home Economics. This experience is obtained in the fields of sewing, cooking, child care and home management. Also, a course is offered in Co-operative Home Economics, in which students work in local establishments to obtain more knowledge in home economic skills.

Mrs. Bennie Barnett received her BS and MEd at NTSU. Mrs. Barnett taught several years before coming to WHS. She now teaches Homemaking III and Co-operative Homemaking. She sponsors FHA, HECÉ, and YHT.

Mrs. Wanda Brian received her BSHE at the University of Arkansas and her MS at TWU. Mrs. Brian previously taught at Weatherford Junior High, she now teaches Homemaking I and II.

Miss Mary McCain attended Kansas State Teacher's College and received her BSE in Vocational Home Economics. She, too, previously taught at Weatherford Junior High, and teaches homemaking this year.

Vocational Courses Teach Specialized Skills

Students are able to gain practical working experience plus their high school education simultaneously by becoming involved in the vocational courses here at WHS. DE is offered to students who wish to obtain experience in salesmanship. VICA provides opportunities for students to gain useful training in various fields of industrial occupations. Shop and drafting enable students to develop skills that will be useful in the future. With such an abundance in vocational courses, students at WHS can receive useful experience for future life-time occupations.

Mrs. Jack Finley received his BS in Business Administration at ETSU. Later, he attended NTSU and received his ME in Secondary Supervision. Mr. Finley came to WHS in 1966, and now teaches DE I and II. He also sponsors DECA.

Agriculture Produces Unlimited Skills

For those students interested in the many aspects of farming, courses in Agriculture are offered here at WHS. Agriculture involves the study of livestock, the use of various farm machinery, and the knowledge of cooperative buying. Students taking Agriculture are able to join FFA and thus further their knowledge. Due to the quality of the courses taught here, many students will be able to use this experience in future life.

Mr. J. W. Brown went to college at Texas Tech, and at Oklahoma A&M, he received his BA. Mr. Brown previously taught at Weatherford Junior High. Now, Mr.

Brown is in his first year at WHS. He instructs Vocational Agriculture I and III.

Mr. W. L. Barber attended WJC for two years, and then Texas A&M, where he received his BS in Agricultural Education. Mr. Barber began teaching in Weatherford in 1957. He now teaches Vocational Agriculture I and III and sponsors FFA.

Mr. S. E. Skiles received his BA and M Ed. at Texas A&M. This year, he teaches Vocational Agriculture II, and Vocational Ag. Co-op. He also sponsors FFA at WHS.

Mrs. Kaye Martino received her BA in Anthropology at the University of Texas at Arlington. This year, she taught Health classes, and was very active in establishing the new drug program at WHS.

Miss Priscilla Young attended ETSU and received her BS in Physical Education. She was a WHS cheerleader for two years while in high school, and now sponsors the cheerleaders. She teaches P.E. and Volleyball.

Fine Arts Develop Talents And Interests Of Students

To be a well educated person, a student needs a good background in the Arts. The Fine Arts Department feels that students become more sensitive toward the environment through the study of culture. The goal of the department is to develop the student's talents and surround the student by other individuals with mutual gifts and interests. This year, the Music Department,

headed by Mr. Henry Schraub, has been divided into two bands. The second band participates in all the activities of the first band. The Art Department, headed by Mrs. Bette Walker, has four classes of Art I and one class of Art II. The Choral Department is headed by Mr. John McCasland this year.

Mrs. Linda Bogle was a student at Abilene Christian College, and got her BM there in 1966. She has had teaching experience at several schools. This is Mrs. Bogle's first year at WHS and she instructs Band.

Mr. James Carter attended NTSU; in 1967, he received his BS, and in 1969, he received his MM. He previously taught at Weatherford Junior High. This year, he has moved to WHS and also teaches Band.

Personnel Service Keeps WHS In Operation

A large school must have an efficient and highly operative personnel. At WHS the personnel excels in both of these requirements. The exceptional work recognized as an essential part of WHS. Students seldom realize the time and effort that goes into preparing meals, keeping our school neat and clean, and driving the buses. Mrs. Muri Springfield serves as head of the Cafeteria Staff; Mr. Ben Anderson, head custodian; and Mr. Marvin Lamar, head of transportation.

In the pages of this book
Lie many memories . . .
Gentle moments, be they joys
 or heartaches, thrills or sorrows,
A year to remember.
Filled with echoes of the past,
Thoughts of happiness; laughter,
 a smile of victory, a smile of pride
Or perhaps sentiments: tears, doubts,
Yesterday . . .
 reflections, contemplations
Today . . .
 happenings, excitement
Tomorrow . . .
 goals, ideals
Through searching.

We have found our identities.
Through giving.
We have gained friends we will
 never forget.
Close friends, that may wander,
But never really leave.
Through realization,
We have been able to recognize
 and face reality.
As a river flows to the sea,
So we move from high school
Out into the world.
A growing world
 of many changes.
A world of many challenges
Yet to conquer.

Bill,
to a great
guy Denjoy

Bill,
To A GREAT guy who
NEEDS NOTHING AND
HAS EVERYTHING. YOU'RE
A NUT AND I ENJOY
BEING WITH YOU.
GOOD LUCK IN THE
FUTURE ALTHOUGH YOU
WON'T NEED IT.

"FROSH '71"

Bill,
To a great
guy who can
go far in life.
Good-luck in
the future. (girls)
Don't work too
hard in football.

Bill,
your friends this
year good friends
haven't we? I mean
you weren't in English with
me I don't know what I'd do. You're
really cute & you've got a
great personality. But you flatter
me too much. You really knew the
way to embarrass me. Stay just the
love ya always. Be good.
Love
Gaeque

P.S. Do you
think we'll
make it to
Srs.?

Bill,

Bill,

Well, school is almost out,
aren't you glad? We've really
had a lot of fun in homeroom.
Maybe we'll get solving together
next year. I sure hope so!
You've sure done great
and you'll go far.

Love ya loads,
Joshua

Bill, I really don't know what to say to somebody
I like as much as I do you! We've really had fun
together ever since the day we met! I remember the
old Spanish days when Jerry + you + me + Benny + Bill
started laughing at the P word parties with plenty
remember! You just about the cutest + sweetest guy in
the school! Don't change! Ever!

Love always,
Jonie
